ON THE COVER

Customer Photo Submitted By:
Emilee Booz

"I love getting to show off my love for photography and my chicken buddies! These guys and gals 'crack me up' daily and bring joy to my life—even if that means crowing in the dark at 2:30AM! You will see my white rooster who likes to show you who's boss. So, I had to include one of him crowing his heart out!"

Stromberg's INCUBATOR GUIDE

Discover our comprehensive range of incubators at Stromberg's, meticulously chosen to simplify your incubation projects. Incubators play a pivotal role in regulating four essential environmental factors crucial for successful egg hatching: temperature, humidity, airflow, and turning. By mastering these elements, we create optimal conditions for developing healthy, hatching eggs.

KEY ELEMENTS OF CONTROL IN INCUBATORS

While incubators may vary, they universally focus on controlling key elements:

Temperature Control: Electric heating elements manage temperature within the incubator, a critical aspect of the incubation process. The finest incubators ensure proper airflow over the heating elements and facilitate easy cleaning. Maintaining a temperature of 99.5 degrees is imperative for effective incubation.

Humidity Management: Humidity is crucial for developing the air sac in the egg and preventing the membrane from becoming too tough for the chick to break through. Control humidity using a water pan or an incubator-integrated humidification unit that heats the water. Adjust humidity higher three days before hatching as your incubator's manual will suggest.

Airflow Optimization: Eggs are porous, allowing oxygen to reach the developing chick. High-quality incubators provide consistent airflow without compromising temperature and humidity stability.

Turning Consistency: Regular egg turning prevents the bird from adhering to the egg's sides during development. However, during the three days leading up to the hatch day, cease turning the eggs. This allows the chick to orient itself within the egg, ensuring it can access the air sac before breaking through during hatching.

QUICK GUIDE FOR INCUBATION LENGTH

This isn't a comprehensive list but it will give you an idea of how long it takes to incubate these popular eggs.

CHICKEN EGGS

RCOM CABINET INCUBATORS

HATCH SUCCESS, WITH THE BEST!

Rcom Cabinet Incubator Features:

Easy-to-read precision digital controls

Hose input for built-in humidity pump system

Includes adjustable egg racks

Spacious design built specifically for large-scale incubation

Amazing Rcom Cabinet Features!

All Rcom Cabinets carried by Stromberg's have these great features, so regardless of your hatching needs, you are set for success!
(PP908 - Rcom Maru Deluxe Max 190 shown above.)

RCOM MARU DELUXE MAX PRODUCTS ARE RECOMMENDED FOR INCUBATING A VARIETY OF BIRDS:

THE RCOM CABINET LINE-UP

KEEP YOUR INCUBATORS CLEAN, FINISH INCUBATION IN A HATCHER!

Near hatch date, move your incubated eggs to the Rcom Maru Deluxe Hatcher 100! Hatching your eggs in a hatcher will maintain cleanliness in your primary incubators and keep newly hatched chicks safer!

Fits approximately **96** Chicken Eggs

Maru Deluxe Hatcher 100

PP901

Fits approximately **144** Chicken Eggs

Maru Deluxe Max 190

PP908

Rcom Maru Deluxe Hatcher 100

PP901

\$800.00

Features:

- Fits approximately 96 chicken eggs
- Easily adjust temperature & humidity
- Alarm system to ensure hatching success
- Easy-view door with LED light
- High-density foam with plastic coating provides excellent lifespan & insulation
- Integrated humidity pump & humidity control means built-in reliability & accuracy
- Four fans for increased airflow and temperature stability
- Easy-to-clean brooding box
- Ready-to-use right out of the box (Water reserve tank not included)

	Hatch Box Capacity per Species
Chicken	96
Duck	70
Quail	250
Pheasant/Chukar	112
Goose	36

Rcom Maru Deluxe Max 190

PP908

\$1,200.00

Features:

- Fits approximately 144 chicken eggs
- Easily adjust temperature, humidity, turning interval & angle
- Alarm system to ensure hatching success
- Easy-view door with LED light
- High-density foam with plastic coating provides excellent lifespan & insulation
- Integrated humidity pump & humidity control means built-in reliability & accuracy
- Four fans for increased airflow and temperature stability
- Adjustable egg racks included
- Ready-to-use right out of the box (Water reserve tank not included)

Goose	16	480	288

QUALITY INCUBATORS
Hatching chicks effortlessly!

Things to look for in the perfect incubator:

- Unit keeps consistent temperature
- Unit maintains proper humidity levels
- Eggs are regularly turned
- Unit is a clean, well-ventilated environment

Rcom Maru Deluxe Max products are recommended for incubating a variety of birds:

Sportsman 1502 Cabinet Incubator

Incubating and hatching made easy. You have complete control over the temperature and humidity settings. Set eggs each week and hatch the oldest eggs by transitioning them into the convenient hatching drawer in the bottom of the incubator. Just add plastic egg racks (sold separately). *Ships from manufacturer.*

Complete 2 in 1, Egg Incubator and Hatcher Combo!

PP391

\$1100.00

Features:

- Digital command center thermostat
- Temperature control
- Electronic egg turning control
- Audio/Visual alarms
- Easy-to-Use touch controls
- 3 turning trays
- Plastic hatching tray
- Hatching drawer
- Easy view window
- Easy to clean
- 110 Volt / 225 watt

Incubator Humidity Pads 10 pack

PP385

\$35.95

Package of 10 replacement humidity wick pads for cabinet model moisture pan. Wick pads are used to raise humidity during hatch period or during setting in arid or high altitude environments.

Sportsman Incubator Water Reserve System

DSPP351

\$64.95

Consists of 5 gallon reserve tank, connecting hose, with quick disconnect coupling and constant level humidity pan with 2 humidity pads, for increased humidity at time of hatch. *Ships from manufacturer*

Castors for Sportsman Incubators

PP419

\$47.95

This set of 4 casters will make it easier to move your cabinet incubator around for servicing, cleaning, & accessing eggs or trays. Easy to install on all cabinet models. Comes with base strips, mounting tape, & four locking casters.

DACB Hatching Tray Liners 25 Pack

PP420

\$19.95

Highly recommended, these disposable tray liners make for a quick and easy clean up of the plastic hatching drawer in the Sportsman incubators. 13.25" X 27.69".

The most popular incubators on the market!

The GQF circulated air cabinet incubators use the same principle that is used by large commercial hatcheries. They allow successful hatching of large quantities of eggs with ease, through automatically turning eggs in a controlled environment.

1202E Classic Sportsman Cabinet Incubator w/ Preset Electronic Thermostat

PP418

\$1050.00

With 3 wire turning trays and plastic hatching drawer, this is a great starter cabinet incubator. Same size and capacity as the 1502 Sportsman but with less automation for reduced cost. Features mechanically timed automatic egg turning, rugged dial thermometer/hygrometer, and a new multi-turn analog electronic thermostat system. Plastic board construction makes the cabinet better insulated, quieter, and easier to clean.

Capacity: 1368 Quail Eggs, 354 pheasant eggs, 270 chicken eggs, 198 turkey or duck eggs, and 36-45 larger eggs such as goose, peafowl, and emu. Actual capacity may depend on egg size.

Includes: 1 hatching drawer & Instructions

110-120VAC, 50/60 Hz, 325 W. TUV Listed. To keep eggs stable on the wire turning tray, don't forget your plastic egg racks (sold separately). Holds 6 egg racks.

1500 Cabinet Incubator

PP402

\$1050.00

Having incubation and hatching separate keeps your incubator clean. Three days before the scheduled hatch, move eggs into the 1550 Hatcher. Capacity: 1368 Quail Eggs (set and hatch 250 per week), 354 pheasant eggs, 270 chicken eggs, 198 turkey or duck eggs, and 36-45 larger eggs such as goose, peafowl, and emu. Actual capacity may depend on egg size. Preset thermostats can not be used for ratite or reptile eggs. Includes: 1 digital command center thermostat with humidity control, 3 turning racks, 1 moisture pan with 2 wick pads, operating instructions. 110-120VAC, 50/60 Hz, 325 W. TUV Listed. Holds 6 egg racks, sold separately.

1550 Digital Hatcher

PP392

\$1050.00

The 1550 Hatcher by GQF ensures sanitary hatching conditions. Unlike setting incubators, hatchers operate at slightly different temperature and humidity settings to obtain optimum hatch. Five hatching drawers will hold the setting of the 1500 Incubator. Move the setting eggs to the hatcher about 3 days before hatch. Hatching trays do not turn. Capacity approximately 1250 Quail eggs or 360 Chicken Eggs. Includes: 1 digital command center thermostat with humidity control, 5 hatching trays, 1 moisture pan with 2 wick pads, instruction booklet, 4 hatching tray covers. 110-120VAC, 50/60 Hz, 250 W. TUV Listed. Egg racks sold separately.

New level of performance!

Experience improved control for valuable and hard-to-incubate eggs. Humidity is a crucial factor in the success of hatching eggs. The OvaEasy Advance Series II incubators put accurate control of humidity in your hands.

OvaEasy 100: Eggs are set in trays on two tilting shelves which are set level for hatching. Hatching covers are provided to safely contain hatching chicks. OvaEasy 190 and 380: Eggs are initially set in three levels and are then moved to a large, removable hatching tray at the base of the incubator for the final stages of incubation and hatching. OvaEasy 580: Eggs are initially set in six levels and then moved to an OvaEasy Hatcher for the final stages of incubation and hatching. Hatching trays come complete with removable covers to contain the chicks.

Brinsea Incubation Specialists

Digital Control Center

Capacity per tray: Chicken: 36, Quail: 100, Partridge: 56, Pheasant: 47, Duck: 23, Goose: 15

- Ready out of the box, no assembly required
- Automatic temperature control in °F or °C fully factory calibrated
- High and low temperature alarms
- High and low room temperature alarms
- Cooling feature
- Programmable automatic egg turning - 30 to 180 minute intervals
- Single button press to level the shelves for easy tray access
- High performance, flexible incubator with hatching covers.
- Suitable for a wide range of egg sizes
- Clear, double-glazed observation door
- Sturdy metal frame, energy efficient, insulated cabinet
- Unique 'laminar airflow' to eliminate cold spots.
- 3 year manufacturer warranty
- INCLUDED FREE - set of universal egg trays with adjustable dividers to accommodate a wide range of egg sizes simultaneously
- PLUS 2 hatching covers to prevent hatchlings from escaping

Ships direct from manufacturer.

Don't forget the Humidity Pump!

Cabinet Incubator Essentials

Don't forget your egg racks and supplies!

Universal Incubator Egg Rack

PP546 1 - 5 **\$7.95**
6+ **\$7.50**

Holds 48 eggs per tray, 6 trays are recommended for a total of 288 chicken eggs. Compatible with Rcom, Brinsea, and GQF incubators. Has tabs for a better fit in GQF 1500 series incubators.

Jumbo Egg Incubator Rack for Turkey, Goose, Duck

PP516 1 - 5 **\$7.00**
6+ **\$6.50**

Holds 30 turkey, goose, or duck eggs per tray, 6 trays are recommended for a total of 180 eggs. One rack per setting tray must be trimmed to fit GQF incubators.

Bantam, Pheasant, & Chukar Egg Incubator Rack

PP252 **\$6.50**

Holds 59 eggs per tray, 6 trays are recommended for a total of 354 pheasant eggs. Compatible with Rcom and Brinsea incubators. Racks not stackable in the 1502 Incubator.

Quail Incubator Egg Rack

PP250 **\$7.50**

Holds 124 quail eggs per tray, 12 trays are recommended for a total of 1488 quail eggs. Compatible with Rcom and Brinsea incubators. Color may vary.

Tek-Trol Disinfectant

PH248 Aerosol Spray **\$10.50**
PH249 1 Gallon Concentrate **\$52.50**

All-purpose disinfectant, perfect for fogging an incubator and preventing airborne diseases. Sanitize eggs to eliminating shell-borne disease from passing through the egg shell. Wash down laying pens, create a disease free environment for your birds. 17 oz.

Virkon® S Disinfectant and Virucide 10 lbs

PH250 **\$89.95**

Virkon™ S is a science-based biocidal technology for animal health disinfection, which has been specifically engineered to provide an effective†, flexible, and convenient, modern formulated disinfectant solution for commercial livestock facilities, veterinary medical hospitals, and farm premises.

Proven effective against:

64 strains of virus†, 34 strains of bacteria, & 5 strains of fungi

Meet the Rcom MAX Line

Rcom Incubators are made with top-of-the-line technology that is used and appreciated across the globe. With their innovative design and easy operation, you can be sure to have high hatch percentages every time.

Heated Water Reserve

Delivers precise humidity control for added hatching success

Built-in Egg Candler

Monitor your eggs for embryo development with your incubator

Textured Flooring

Gives your chicks needed traction in the incubator to avoid spraddle leg

Egg Candling

Powerlux LED Egg Candler with Battery Pack

PP465

\$39.95

Intense LED bulb and a powerful lens makes inspecting eggs a breeze! Dark or speckled eggs are no match for the powerful light source and eggs big or small are easily inspected with rubber adapters.

Features:

- Includes rubber adapter for candling eggs big or small
- Powerful LED light
- Includes cord for use AND battery pack

Please Note:

Determining an egg's fertility is key to deciding if it should remain in your incubator. Removing infertile eggs will help prevent contamination and can improve your hatch rates.

OvaScope Battery Powered Egg Scope

PP331 High Intensity

\$84.95

Now with the OvaScope egg scope you can watch the live embryo develop inside the egg. This innovative aid to egg candling improves the clarity and visibility of the egg and it's contents by completely blocking out ambient light, slightly magnifying the image of the egg and allowing the viewer to rotate the egg smoothly as it is observed. Battery powered for convenience (4 AA batteries included) the OvaScope egg candler uses high output high efficiency LED illumination - so no bulbs to replace and no concerns about overheating the eggs during inspection. Suitable for any size egg up to duck/turkey eggs. Supplied with a small black ring to seal against the egg shell of smaller eggs. The OvaScope egg candler can be fitted with a webcam and is ideal for demonstration purposes or classroom use. Supplied with a set of 4AA batteries. For longer life it can be used with rechargeable AA batteries. The Standard Intensity scope is for pale shells.

Angry Rooster High Intensity Egg Candler

PP469

\$55.75

This high intensity candler will work great for your candling needs. It will candle both white and brown eggs and will even candle those hard to see through dark brown eggs. Includes two rubber adapters. One for regular sized chicken eggs and a smaller adapter for quail eggs. Handy stand so you can stand the candler straight up when you are using. This candler has a cord that you will use when you are recharging the unit. Battery power to last 20- hours continuously on. Also works as a cellphone charger and flashlight. LED lights stay cool during your candling.

Brinsea OvaView Egg Candler

PP327 High Intensity

\$49.95

PP326 Standard Intensity

\$39.95

Works with quail or chicken eggs. 20 hour battery life. This LED light allows you to easily candle both white and brown eggs while keeping your eggs cool. Includes a flexible black ring to seal against the egg shell and a smaller ring for smaller eggs. Uses rechargeable AA batteries. The High Intensity lamp is for darker eggs (quail, pheasant). The Standard Intensity lamp is for pale shells (one ring, most species).

GQF Incubator Thermometer
PP486 **\$6.50**

Lightweight thermometer, designed to be placed directly on top of the eggs to give you an egg level temperature reading. Compatible with all incubators and most brooders. 3.5" X 6.5"

Digital Thermometer Hygrometer Remote Sensor
PP490 **\$22.25**

Simply place the remote sensor in your incubator and it will wirelessly give you your temperature and humidity readings on the base unit. The unit sends back temperature readings every 10 seconds.

Small Digital Thermometer Hygrometer
PP491 **\$10.50**

2.5" wide x 3.5" height x 1" deep. Temperature range of 14°F-122°F and humidity range of 20%-90%. Requires 2 AAA batteries, not included.

TemLog 20H PDF Temperature and Humidity Data Logger
PP259 **\$42.00**

Figure out where your hatches are going wrong with this easy-to-use temperature and humidity logger. It generates a PDF report automatically without any software needed. Just leave the unit in the incubator to record at a set interval. Displays and records C/F temperature and % PH at 0.1° and 0.1% PH resolution.

GQF Digital Incubator Hygrometer
PP489 **\$27.95**

Compact and easy to read! Temperature choice of F or C, and humidity is displayed as a percentage. Min/Max recorded.

Pocket Thermo-Hygrometer for Temperature and Humidity
PP487 **\$39.95**

Pen-style with clip. Humidity range 10%-90%. Auto power off to save on battery or can convert to non-sleep modes for continuous readings. Fits most incubators including the Styrofoam and cabinet models. AAA battery included for about 150 hrs of use. (-10°C to 5°C) with +/- 1 deg. F accuracy. Temp range 14°F to 122°F.

Taylor Ultra High Capacity Digital Kitchen Scale
PP498 **\$28.50**

Measure and track egg weight loss! Helps you effectively measure humidity in the incubator. Capacity is 13 pounds and is accurate up to 0.01 ounces. Works great for egg sizing! Batteries included.

Stromberg's says:

A quality thermometer and hygrometer are must have tools for incubating and raising chicks!

IN AN INCUBATOR:

Maintaining the correct temperature and humidity in an incubator is one of the key factors in producing a successful egg hatch rate. A thermometer and hygrometer will assist in ensuring you have the ideal incubation conditions for the bird species you are hatching.

IN A BROODER:

Hatchlings as well as weeks old chicks need access to consistent warmth. A thermometer is a vital tool to ensure your chick's environment is at the ideal temperature for their age range.

Get Started Raising Chicks

Discover the ultimate convenience in caring for your baby chicks with Stromberg's thoughtfully curated bundles.

We offer three distinct packages:

1. Starter Kit: This kit includes a radiant heat plate brooder, a waterer, and a feeder, offering essential tools to get started, though additional items may be needed for complete setup.

2. Comprehensive Bundles (Second and Third Options): Enhance your chick-raising with our Comprehensive Bundles, thoughtfully curated for all your needs. These bundles provide essential equipment and supplementary items for a comprehensive solution, ensuring you can confidently meet your chicks' diverse needs.

The Essentials

CHICK STARTER KIT

Chick Starter Kit

SB105

\$55.00

Kit Includes:

- PP611 1 - Chick Heating Plate 10" x 12"
- PH131 1 - 32 oz Plastic Jar Feeder Base
- PW125 1 - 32 oz Plastic Jar Waterer Base
- PW126 2 - Plastic Waterer/Feeder Jars
- PH425 1 - Peck N' Grow Packet

This kit pairs perfectly with our PP957 Stand Up Chick Brooder (sold separately) on page 21.

Comprehensive Bundles

COMPREHENSIVE PACKAGE #1

Comprehensive Package #1

PP442

\$97.50

Package Includes:

- PP110 1 - Single Lamp Brooder
- PP609 1 - Stainless Steel Tripod (Brooder Lampstand)
- PP112 1 - Infra-Red Heat Bulb
- PP645 1 - 7 x Panel Cardboard Brooder
- PW532 1 - 1 Gallon Waterer Jar
- PW533 1 - 1 Gallon Base Regular
- PW534 1 - 1 Gallon Base No Drown
- PH204 1 - Vitamins & Electrolytes Mix
- BM706 1 - Guide to Raising Poultry Book
- PH425 1 - Peck N' Grow Packet
- PH098 1 - Turbo Feeder
- PH154 1 - Turbo Feeder Lid
- PP486 1 - Thermometer

COMPREHENSIVE PACKAGE #2

Comprehensive Package #2

PP446

\$162.75

Package Includes:

- PH614 1 - Comfort Brooder Heat Plate 16" x 24"
- PP616 1 - Cover for PP614 16" x 24"
- PP645 1 - 7 x Panel Cardboard Brooder
- PW532 1 - 1 Gallon Waterer Jar
- PW533 1 - 1 Gallon Base Regular
- PW534 1 - 1 Gallon Base No Drown
- PH204 1 - Vitamins & Electrolytes Mix
- BM706 1 - Guide to Raising Poultry Book
- PH425 1 - Peck N' Grow Packet
- PH098 1 - Turbo Feeder
- PH154 1 - Turbo Feeder Lid
- PP486 1 - Thermometer

Both these packages provide the equipment you need for successful chick-raising. Just add chicks, bedding, and feed!

Brood Your Chicks Safely

Heated brooder plates provide a safe and efficient way to help your chicks grow into healthy chickens. By offering a secure heat source and allowing chicks to move freely, they make raising hatchlings both simple and effective.

Radiant Heat Plate Chick Brooders

PP611	For up to 20 chicks - 10" x 12"	\$50.50
PP612	For up to 50 chicks - 17" x 25"	\$64.95

Discover the ideal solution for keeping your chicks warm while keeping your costs low with our Radiant Heat Plate Poultry Brooder. Designed to prioritize safety and efficiency, these brooder heat plates boast remarkable features to ensure optimal conditions for your feathered companions.

Key Features:

- Energy-Efficient Warmth:**
 - Our brooder heat plates utilize only 10% of the energy consumed by a standard 250-watt lightbulb. Experience substantial energy cost savings without compromising on the warmth your chicks need.
- Feather-Friendly Environment:**
 - Unlike traditional brooders, our radiant heat plates allow birds to move freely between heated and non-heated areas. This freedom promotes healthier feathering, ensuring your chicks feather out more fully for robust growth.
- Safe and Cost-Effective:**
 - Eliminate the worry of fire hazards with our brooder's safe and efficient radiant heat technology. You can rest easy knowing that your chicks are kept warm without incurring unnecessary energy expenses.

Invest in the well-being of your poultry with our Radiant Heat Plate Poultry Brooder — where warmth meets efficiency for thriving chicks and reduced energy costs.

Comfort Chick Brooders

PP613	Small Plate - 12" x 12" (up to 20 chicks)	\$52.50

PP614	Large Plate - 16" x 24" (up to 50 chicks)	\$78.75
PP616	Large Plate Cover	\$36.75

Safe alternative to heat lamps! Has two sizes and would be ideal for 20 to 50 chicks or waterfowl. Uses a tenth of the electricity of typical suspended infrared lamps, because the chicks are in contact with the warm underneath surface. This brooder grows with your chicks with the adjustable legs. These brooders are also much safer than using heat bulbs, which when left unsecured can start barn fires. Don't forget your clear plastic covers to keep chicks from climbing on top of the brooder. Pairs well with our 1 Liter Drinking Bottle with Hinged Lid (PW313).

Sweeter Heater Chick Brooders

PP654	For up to 35 chicks - 11" x 16"	\$120.75
PP653	For up to 65 chicks - 11" x 30"	\$157.50
PP655	For up to 85 chicks - 11" x 40"	\$168.00
PP609	Stainless Steel Heat Lamp Tripod	\$14.95

This is an excellent safe and low-power brooder for your chicks. A non-breakable, energy-efficient, long-lasting (three-year warranty), sealed/washable, and reliable specific area heater. Excellent for a brooder heater for chicks, you can also use this as a heat source when your birds are cold. The Sweeter Heater pairs perfectly with the Stainless Steel Tripod.

Safe & Effective Heating

AVOID DEVASTATING COOP AND BARN FIRES BY USING THIS HEAT LAMP WITH A BUILT-IN SAFETY SWITCH!

Turns off when tilted over 30°

Three way switch enables charging between 100% or 50% power and power off

Durable ceramic socket fits easy-to-find standard 250W bulb

BROOD YOUR CHICKS OR HEAT YOUR CHICKEN COOPS WITH THIS ONE-OF-A-KIND HEAT LAMP WITH BUILT-IN SAFETY FEATURES TO GIVE YOU PEACE OF MIND!

Heat Lamp with Safety Switch

PP995

\$49.95

This fire resistant chick and coop heater is a safe and reliable, smaller heat lamp! When this heat lamp is tipped past 30 degrees the safety switch engages and turns off the unit, giving you peace of mind. This lamp has multiple uses besides being an awesome addition to your brooders or coop. It's also great for use with baby goats, sheep, or even dogs. Also, there is no need to search for a special bulb, this heat lamp uses an easy to find, standard 250W bulb. Bulb not included.

- ✓ Fire-Resistant
- ✓ Kill Switch
- ✓ Shut-off Sensor

Carbon Fiber Heater

PP996	600W Carbon Fiber Heater with Bulb	\$95.00
PP997	600W Carbon Fiber Replacement Bulb	\$24.25
PP998	1200W Carbon Fiber Heater with Bulb	\$110.00
PP999	1200W Carbon Fiber Replacement Bulb	\$27.50
PP609	Stainless Steel Heat Lamp Tripod	\$14.95

Safe, fire-resistant coop heater features a kill switch if the unit is tilted past 45 degrees. Keep your chicken coop warm with this carbon fiber heater. Hang these higher than you would a regular heat lamp to efficiently disperse heat over a large area. Includes automatic shut off sensor for added safety (protects your coop from dangerous heat lamp fires). Available in 600W or 1200W. Complete with bulb.

Chick Raising Solutions

*Don't forget the
Hanging Single
Lamp with Guard!
Available below!*

*Works great with
lamp brooders or
heat plate brooders!*

Stand Up Chick Brooder

PP957

\$225.00

A great solution to brooding! Keep debris off the floor and save space. Easily add an infrared lamp to provide the chicks with healthy heating when required. There is plenty of space for all the chick essentials - waterers and feeders. Holds 50 chicks. Easily see inside the brooder with perforated steel sides and top.

The wire floor keeps animals separate from the floor tray, making it easy to clean. Assembly required.

38.5"L x 18.5"W x 24"H
(headroom height is 9.5")

Automatic Thermostat Four Lamp Brooder

PP602

\$140.00

A great energy saver! The thermostat controls 2 of the 4 lamps and includes chain to hang from ceiling. Galvanized steel reflector, wire guard, 3 prong cord, 110 V. Capacity 350 chicks. Weight is 7.5 lb. Bulbs not included.

Hanging Single Lamp Brooder with Guard

PP110

\$18.00

Provides chicks with a warm, dry environment. Heat-resistant ceramic socket and double wire bulb guard for safety. Features 6-foot electrical cord with polarized male prongs and scratch-resistant clamp with ball joint for easy positioning. Corrosion-resistant 10.5" aluminum shade has a built-in hanger. Reflectors extend over lamps and protects them from moisture from the ceiling. Guards protect lamps and keep them out of litter. Clamp included. Capacity 100 chicks. Bulb not included.

Cardboard Brooder Panels

PP645

\$11.75

Set of 7 individual cardboard panels that connect to form a simple but effective brooder area for your chicks.

*Don't forget
your bulb!*

Infrared Heat Bulbs

PP112

\$7.50

250 watts
Shatter resistant design
Perfect for use in brooder lamps

Box-Style Brooders

Reduce stress in young birds by providing plenty of heat, fresh air, light, space to eat, and sanitary conditions in a confined area. Clear plastic panels allow full and easy viewing of the brooder's interior. Choose between heated brooders or non-heated growout pens.

Chick & Quail Brooder

PP650	Chick & Quail Brooder	\$475.95
PC135	Caster Base	\$133.95

Galvanized steel construction. Poly feeder and drinker included. Feed trough fills from outside and holds approximately 7 pounds. Universal water drinker with 3-liter capacity and self-cleaning trough. Capacity: 100 day-old chicks, 50 four-week-old chicks or 100 quail chicks to the fourth week. PVC coated wire mesh floor. Dropping pan is easily removed for cleaning. Overall size is 42" L x 27" W x 19.5" H (interior height 10"). 250-W heating element thermostatically controlled. 115 V. 2 pilot bulbs included. Assembly required.

Five Deck Poultry, Game Bird Battery Brooder

PP660	Stacked Five Deck Poultry Game Bird Battery Brooder (pictured)	\$1999.95
PP668	Auto Water Kit for Brooder	\$89.95

Five heated units! Brooders stack and bolt together on brooder base. When purchased in set, one lid is supplied. Clear panels make a perfect display for feed stores, etc. Drop pans and floors can easily be removed for cleaning. Includes 6-plug electrical outlet strip with 4 ft cord. 110V. Floor mesh 1/2". Overall dimensions: 32" W x 38" D x 65" H. Includes brooder/pilot bulbs and built with rugged castors. Pair PP660 with PP668! *Products sold separately.*

Heated!

Universal Box Brooder

PP665	Universal Box Brooder	\$349.95
PP661	Automatic Watering Kit	\$89.95
PP662	Caster Base for Box Brooder	\$228.95

Use for almost any type of bird! Each side panel comes with adjustable gate to regulate openings for chick type and age to allow them access to three feed or watering troughs. Any trough can be converted with the auto watering kit. Thermometer and water thermostat are included and are accurate to one degree. Floor is 1/2" mesh which allows droppings to easily pass through. For quail chicks especially, it is recommended to use Universal Brooder Liners (PP680) paper on top of the wire mesh for the first 4-7 days. Drop pans are made of lightweight aluminum are easily removed for cleaning. Approximate capacity to 4th week: 100 quail, 50 chukar or pheasants or 100 poultry chicks to 2nd week. Overall dimensions 32" x 38" x 12" (9" headroom). 110-V. 250W heater.

Stacked Grow Off Pen, One for Birds & Chicks

PP678	Stacked Grow Off Pen, One for Birds & Chicks	\$1260.00
PP676	Non-Heated Grow Off Pen	\$283.50
PC137	Expansion Kit	\$99.00

This can be the start of a very lucrative enterprise, producing approximately 48 chickens a month in a very limited space. Put day old chicks from a hatchery or incubator into the brooder for warmth, feed, and water. After four weeks, move 24 birds into each grow off pen and put 48 new chicks in the brooder. That's 96 birds kept comfortably in less than 11 square ft. 49 inches tall. Includes one brooder with 2 blue pilot bulbs, two expanded grow off pens, brooder base, and casters.

Shown - one heated and two non-heated

Baby Chick Feeders

Chicken Emoji Poultry Feeder 9 LB

PH174	1 Feeder	\$20.95
PH574	5 Pack	\$89.95

The 9 lb Chicken Emoji Poultry Feeder is crafted from translucent, anti-bacterial plastic. Its durable design features an indicator, enabling effortless monitoring of food levels. With a rounded body and a removable lid, refilling and cleaning this feeder becomes a breeze. Whether placed on the ground or hung up, this permanent feeder adds a touch of fun to your poultry setup.

32 oz Plastic Jar Waterer/Feeder

PW126	Jar	\$1.50
PH131	Feeder Base	\$3.25
PW125	Waterer Base	\$1.50

Economical choice! One quart (32 ounce) plastic jar fits all glass jar feeders and waterers. A great alternative to glass jars. Don't forget the feeder base to complete the set.

Trough Style Feeders

PH191

PH097

PH191	20" Metal Trough Chicken Feeder	\$11.95
PH097	12" Red Plastic Ground Plastic Feeder	\$4.25

Made of heavy-gauge galvanized steel, this trough features individual holes to minimize waste, ensuring that feed is distributed evenly and efficiently among your flock. The sturdy construction and easy-to-clean design make it an ideal choice for maintaining a healthy and productive poultry environment.

Available in plastic as well.

Turbo 8 lb Chick Feeder

PH098	Feeder Only	\$3.55
PH154	Lid Only	\$5.25

A gravity flow feeder for baby chicks. Circular in design. Feeder is 7.5" high and the base is 11.5" in diameter. Trough is 1.5" wide. Narrow trough prevents chicks from getting into feed and scratching. Made of sturdy plastic. Easy to clean. Will hold up to 8 lb of feed. Snaps together. Not adjustable. Lid rests on top, sold separately.

Hinged Feed Control 16 lb Universal Feeder

PH136		\$22.95
-------	--	----------------

This feeder is designed to be used for baby chicks on up to full grown game birds and poultry. It's great for pigeons too! Designed with a hinged lid and has feed control within the feeder to regulate the height of the feed in the pan, an essential part of economic feeding. The trough is 1.5" high with a 12" diameter. Height is 20". 16 lb Capacity.

Bantam, Game Bird Small Plastic 5 lb Chick Feeder

PH134	Single	\$18.95
PH234	4 pack	\$60.00

A perfect size, may be placed within most all game or bantam chick brooders, 12" L x 6" W x 5.5" H. The very low one inch feeding edge is just right for the smaller chicks. Feed capacity 5 lb. Sturdy plastic.

We have more feeders!

For any size flock, we have the feeder you need.

Silo Feeder

PH194

\$84.00

This new high-capacity feeder makes feeding your flock a breeze. The 65-pound capacity means that you can fill it with a whole bag of feed with room to spare! Its translucent body lets you know when you're running low on feed. The feed saver grill makes it harder for you birds to waste feed.

It's Easy to clean

- 6" stand keeps the feed trough out of the bedding.
- Large lid makes this a breeze to clean. Just open it up and wipe it down.
- Easy to remove grill makes it simple to wipe down the feed trough when needed.

High Capacity that is easy to fill

- 65-pound capacity.
- Fill the feeder less often giving you more time to enjoy your birds.
- The large lid makes it easy to fill.
- The feed saver grill means your birds will not waste feed saving you money.

DON'T FORGET A WATERER FOR YOUR BIRDS!

The PH194 - Silo Feeder pairs perfectly with our PW079 - Silo Waterer found on page 28.

Scan for our full selection of feeders and waterers online!

Econo Feeder with Lid

Quality construction made of galvanized steel with a solid bottom. Includes two hooks to attach to the cage. Simply drill two holes in the back of the feeder to hang from the wall.

Feedomatic Treadle Feeder

Prevent feed waste with the Feedomatic Treadle Feeder! This innovative treadle design keeps disease-carrying pests out and protects feed from moisture and elements within!

Feedomatic Treadle Feeder

PH190 **\$68.25**

Designed with the highest-quality in mind, the Feedomatic Treadle Feeder lowers feed waste with it's unique design. The feed is safely contained within the feeder and only made accessible when the weight of a chicken standing on the treadle opens it. Made of plastic and metal making it quiet - meaning the birds aren't scared of a loud feeder. This prevents disease carrying pest like rats and mice from contaminating feed as they would with a traditional open feeder. Metal and UV-resistant design gives this feeder the edge when protecting feed from elements and adds durability and strength for years of use!

Feedomatic Treadle Feeder:

- Keeps feed dry & fresh
- Unique design prevents feed spills
- Keeps disease-carrying pest out
- Strong and durable design

High End Hen Waterer & Feeder

PW169 Waterer	\$43.95
PH137 Feeder	\$49.95

The High End Hen Waterer keeps your chickens' water clean and sanitary. Allows you to add more water without entering the pen. It holds 2 gallons of water so you will not need to water daily if you have a smaller flock.

The High Hen Feeder allows you to feed your chickens without entering the pen. Keeps your shoes clean while doing your morning chores.

25 lb Wall Mounted Feeder

PH160 **\$93.95**

Ideal for small pens of poultry, bantams, or game birds. 25 lb feed capacity. Bottom slants forward with feed level adjustment. Durable galvanized steel construction. No cover. 18" x 16" x 9" D.

Hanging Feeders

Save space and feed with hanging feeders.

50 lb Capacity Hanging Feed Saver Feeder

PH151	Single	\$52.95
PH641	20 pack	\$695.00

Perfect for chickens, turkeys, and other grown birds. Made from strong, durable, heavy-duty plastic. Includes feed cover and feed saver grill. Lid included. 22" W x 24" H. Trough is 4.5" high.

22 lb Game Chick Hanging Feeder

PH135	Single	\$39.95
PH335	10 Pk	\$312.95

Specially designed for use with young quail, pheasant, or baby chicks. Manufactured with a built-in grill molded into the body. Made of high-density polyethylene plastic. Capacity of 22 lb. 15" W x 16" H. Trough 2" wide, 1.5" deep.

20 lb Hanging Feed Saver Feeder

PH153	Feeder Only	\$37.95
PH173	Feeder - 6 pk	\$190.95

Very popular feeder. The body of this feeder is manufactured with a built-in molded plastic grill. The pan has an inward rolled lip which works great as a feed saver. It has a double-crossed inward bracing at both the top and bottom. The cylinder has a capacity of 20 lb., Depending on the density of the feed. Adjusts up to 17" W x 20" H. Trough is 2" wide x 3" deep.

44 lb Capacity Metal Hanging Feeder

PH193	Feeder	\$38.95
PH693	Feeder - Pack of 5	\$169.95

This galvanized hanging feeder is made from heavy duty steel with rolled edges. The rolled edges make sure you do not cut your hand while moving or assembling the feeder. It has a secure system for locking the feeder in the desired feed flow height, ensuring the feeder does not come apart while filling. It can be used both free standing and hanging. Both hanging feeder covers the PC154 and the PC155 fit this feeder. Holds 44 Pounds.

50 lb Capacity Hanging Feed Saver Feeder

PH311	Single	\$39.95
PH611	20 pack	\$650.00

Perfect for chickens, turkeys, and other grown birds. Made from strong, durable, heavy-duty plastic. Includes feed cover and feed saver grill. Lid included. 22" W x 24" H. Trough is 4.5" high.

Hanging Feeders enhance efficiency and save space in your chicken runs. Add a lid to your hanging feeder to further protect feed from the elements!

Large Capacity Feeders

Feed more with our large capacity feeders, made for rain or shine.

50 lb Rain Shield Feeder

PH152	Single	\$103.95
PH642	20 pack	\$1,596.00

The best small-to-medium capacity range feeder ever made. The lid and rain shield are made of durable plastic molded into one piece. This unit goes down over the feeder body to the correct height from the pan to make an excellent rain and sun shield. The whole top unit is removed for easy filling. This unit is equipped with a grill for feed saving. The pan depth is 4¾" and the diameter is 22". The overall height is 24". Cover diameter 24".

50 lb Range Quail & Pheasant Feeder

PH156	Quail Feeder (2.5" pan depth)	\$103.95
PH646	Quail Feeder - 20 pack	\$1,596.00
PH310	Pheasant/Chukar (3" pan depth)	\$103.95
PH640	Pheasant/Chukar Feeder - 20 pack	\$1,596.00

With a large demand for a size and correct lip height for game birds, these two feeders will fill the requirements. The range feed cover and lid have been redesigned for quail, chukar, or pheasants. The Pheasant Feeder has a feed saver lip. 16.5" diameter.

300 lb Large Capacity Range Feeder

DSPH157	Pheasant/Chicken Size Pan	\$436.95
DSPH158	Quail Size Pan	\$436.95

Constructed of strong, durable UV resistant plastic with reinforced ridges allowing for approximately 300 lb capacity of mash feed and 250-270 lb capacity of pellet feed. New locking lid design virtually eliminates lid blowing off. Newly designed rain/weather shield has 3½" sides to prevent feed getting wet in rainy conditions. Diameter of shield is 36". Flow rate is adjustable by mounting feeder pan to body at ideal feed flow rate. Instructions included. **Ships direct from manufacturer.**

Weatherproof!

900 lb Gamebird Range Feeder

DSPH675		\$1050.00
---------	--	------------------

Low & wide rain shield reduces the amount of rain that can blow into the pan during a heavy storm. Large pan circumference provides more feeding space for birds, which results in fewer feeders per pen. Narrow stepped pan design to reduce the amount of fines that can build up in the pan. Six uniquely designed support legs that will not allow feed to block up behind them, preventing mold build up. Adjustable feed flow (1.25" to 3.25") opening 45° cone to ensure adequate feed flow into the pan. Easy to open/close lid that can adapt to fit an automatic feed line. Large capacity reduces the number of times you need to fill each feeder. 27.5" wide opening to allow for easy filling either by hand or with an auger. **Ships direct from manufacturer.**

Silo Waterer

The perfect waterer to pair with your Silo Feeder!

Silo Waterer - 12 Gallon

PW079

\$84.00

This high-capacity Silo Waterer allows you to have the water your birds need with the features you've always wanted. See through body lets you know when you need to fill it. This waterer works with a float valve, so it is easy to operate, and you don't have to count on seals or gaskets that are prone to fail!

It's Easy to clean

- 6" stand keeps the water trough out of the bedding.
- Large lid makes this a breeze to clean. Just open it up and wipe it down.

High Capacity that is easy to fill

- 12 Gallon Capacity gives your birds the water they need.
- Fill the waterer less often giving you more time to enjoy your birds.
- Fill the waterer by using the smaller hose opening or by opening the larger cover

DON'T FORGET A FEEDER FOR YOUR BIRDS!

The PW079 - Silo Waterer pairs perfectly with our PH194 - Silo Feeder found on page 24.

Galvanized & Plastic Waterers

Our large capacity waterers allow you to see how full it is and keep your flock happy.

Metal works best in the winter!

PW106

PW107

Little Giant Galvanized Double Wall Waterers

PW106	3 Gallon - Single	\$39.95
PW096	3 Gallon - 2 pack	\$74.95
PW107	5 Gallon - Single	\$44.95
PW097	5 Gallon - 2 pack	\$84.95
PW170	Heater Base	\$56.95

- Heavy gauge steel
- Brass valves and rubber seals produce a positive water shut off
- Seams are constructed and tested to prevent leaks
- Features a locking pin
- For poultry and game birds

Constructed of heavy-gauge, galvanized steel and available in four sizes. Edges are rolled for safety and feature arched inner handles for added strength. Copper spring and neoprene seal produce a positive water shut-off. Seams are constructed and tested to prevent leaks. Sloped to prevent perching. Double wall waterers also feature a locking pin.

Little Giant Poultry and Game Bird Waterer

PW109	3 Gallon	\$43.00
PW110	5 Gallon	\$54.00
PW111	7 Gallon	\$62.00
PW112	Small Trough Cap with 3 O-Rings	\$9.95

This large-capacity poultry waterer features a vacuum-sealing O-ring cap that creates an automatic water flow. Made of dent-proof, heavy-duty translucent plastic that allows you to see the water level. The easy to fill jar snaps completely onto the base, and the rugged handle makes transport around the yard easy. This is a durable unit that will stand up to plenty of use.

PW086

Add legs to your PW085 Bucket Waterer reduce bedding in your water! Sold separately.

Bucket Waterer

PW085	5 Gallon Waterer	\$44.95
PW086	Legs for Waterer	\$6.95
PW087	10 pk - 5 Gallon Waterer	\$389.95

This waterer is a great addition to any coop. Buy the legs separately to keep it up off of the ground and reduce bedding in the waterer. As with most waterers, it is easier to fill it with a hose rather than carrying it full.

Plastic Waterer - 3 Gallon

PW094	\$38.95
-------	----------------

This solidly built plastic drinker offers a unique filling option. You can fill it from the TOP! If you have ever tried a bottom filled "flip" waterer you know these are the right waterer for you! This waterer has a 3 gallon capacity and is easy to fill.

Emoji Waterer

PW179	1.5 Gallon Capacity	\$11.95
PW579	5 Pack	\$51.95

This new waterer is going to be the hit of the coop. Printed with a fun design it will make you smile every time you fill with water. 1.5 gallon capacity this waterer is made from heavy duty UV resistant plastic.

Holder easily mounts to cage & coop walls!

1 Liter Drinking Bottle with Hinged Lid

PW313	Drinking Bottle	\$5.95
PW315	Drinking Bottle Holder	\$3.25

This versatile 1 liter drinking bottle is equipped with a drinking nipple for your chicks and poultry. Leak free and is also UV resistant. Pairs perfectly with holder that is sold separately.

Baby Chick Waterer with Float Valve

PW091		\$8.95
-------	--	---------------

This small drinking cup stays dry until your animal drinks, thanks to its smart design. The closed system ensures clean, fresh water and promotes better hygiene. Easy to install with the included galvanized bracket, it's a practical solution for your poultry. The yellow clapper releases water into the cup only when pecked, preventing contamination and keeping water fresh longer.

All Poly Top Fill Waterer Trough

PW306	4 Gallon	\$60.00
PW307	7 Gallon	\$70.50
PW136	Universal Electric Heater	\$73.50

Rugged construction ensures long life. The water level is easily viewable with gallon markers on the sides. Easy to carry and clean. Safe with medications. Both troughs are 2" wide x 1.5" deep. These can also be used with universal electric waterer heater.

Plastic Jar Waterer/Feeder

PW126	32 oz Jar Only	\$1.50
PW143	58 oz Jar Only	\$5.25
PW125	Waterer Base	\$1.50
PH131	Feeder Base	\$3.25
PW137	No-Drown Waterer Base	\$1.75

Fits all glass jar feeders and waterers. A great alternative to glass Mason jars. Both size jars fit perfectly with the waterer base, feeder base, or No-Drown Waterer base.

3 Gallon Poultry Waterer with Metal Handle

PW127		\$21.00
-------	--	----------------

Features a built-in handle for easy portability.

1 Gallon Screw on Jar and Bases Waterers

PW532	Jar Only	\$4.00
PW533	Quail & No Drown Base	\$4.95
PW534	Regular Chick & Juvenile Base	\$2.25

Change the water less frequently with our gallon waterer. Wide mouth is easy to clean. Get both bases and use the narrow chick and juvenile base for your baby chicks and the wide-mouth base as they get older.

Automatic Waterers

Make life easier with our variety of automatic waterers. Hook it up and forget it!

Fits garden hose! Never worry about filling the tank again!

Little Giant Auto Poultry Waterer with Cover

PW130

\$44.95

This automatic waterer has 30" hose that will connect directly to your pressurized water source. This gives your birds continuous access to fresh clean water. Automatic float valve controls the water level so there is no spilling or overflow. Oversized cover extends beyond the edge of the bowl to keep debris out of the water. Angled cover keeps birds from roosting on the waterer. Not recommended in freezing temperatures.

- Provides a continuous flow of fresh water for adult poultry
- The included hose attaches to a standard garden hose and there is no need for a pressure reducing valve
- Automatic float controls the water level so there is no spilling or overflow
- Cover prevents roosting and keeps debris out of the water
- Easy to assemble and easy to clean

Automatic Trough Waterer for Duck & Geese

PW416

\$133.95

Works with pressurized water system. Float keeps trough filled automatically. Trough is deep enough for ducks and geese to get their head into waterer. Valve guard is included. Trough length is 29.5", drink height is 5". 2-gallon capacity. Some assembly required. 1/2" NPT fitting.

Little Giant Pressurized Automatic Waterers

PW131 Universal Waterer (6" W x 2" Deep)

\$32.95

PW132 Chick Waterer (7" W x 2" Deep)

\$35.95

PW133 Turkey Waterer (8" W x 3" Deep)

\$42.00

PW134 Bowl Guard (Prevents Roosting)

\$10.95

The Little Giant poultry waterers have been used by poultry experts for years. These dependable waterers hook up to any standard 1/2" NPT pipe to provide a limitless supply of clean water. Safely operates between 20-50 psi. Pick your waterer, tripod kit, and don't forget the guard.

3 Gallon Duck/Geese Automatic Waterer

PW308

\$39.95

Works with pressurized water sources and will fit a garden hose or faucet. Adapted for use as a poultry waterer. Because of its depth and larger size, the waterer works great for ducks and geese with their larger bills. It will also work for chickens, turkeys, and other fowl. Features an adjustable float arm covered by a metal shield so you can adjust the water level. 3-gallon capacity. 16" diameter. 30" hose length.

Automatic Water Troughs - 2 pack

PW185

\$86.95

Automatic water trough for game birds, pigeons and poultry. Use the attaching brackets to attach to your cages or mount on your stand. Attach to water faucet, turn water on plastic float with brass valve maintains constant water level. Made of durable plastic with rotating reel on top to keep birds off. Equipped with 4-foot hose. Ready to attach to faucet. Maximum Pressure 50 Psi. Length: 18" Width: 3.5" Depth: 2"

The expandable, customized automatic drink system!

Drink Sticks - DIY to Fit Your Watering Needs!

Drink Sticks and Accessories

Make your chores a little bit easier with the drink stick - the expandable automatic drinker system for poultry! Easily hook up this system to either a gravity-fed system or a garden hose. Plus, choose from a cup or nipple style watering system. Expanding is simple! Just unthread caps and thread multiple sticks together. Use one drink stick alone or combine to make it as large as you need.

Connect your drink stick to a bucket!

Drink Stick with Cups	PW180	\$39.00

Through Bucket Fittings
PW182 1/4"
PW231 5/16" (pictured)
Connect your drink sticks to buckets with these through fittings.
\$5.25
\$7.50

Step 2: Select your flock's drinking component

Horizontal Mount Poultry Nipples - 4 pack
PW277
Easy to install, helps keep water clean, and prevents disease. Birds access water by tapping the solid stainless-steel trigger. Accommodates up to 4 birds each.
\$4.75

Drinking Cup - 5 pk
PW274
Provides clean water. Molded, heavy-duty, durable plastic watering cups. Install on the side of a bucket, providing an automatic release of water every time your bird pecks the yellow trigger.
\$5.95

Vertical Mount Poultry Nipples - 4 pack
PW158
Save money and transform any bucket or PVC pipe into a poultry watering device! Don't forget the bucket!
\$4.75

Mounting Brackets for Drinker Cups - 5 pack
PW220
Cage bracket attaches to tubing to space out cups easily. Works with PW274!
\$19.95

Step 3: Select your accessories

Tube Clamps - 18 pack
PW221
Clamps used to secure 5/16" tubing and fittings.
\$5.95

Plastic Shutoff Clamps 5/16" or 1/4" - Each
PW267
Clamp flexible tubing to shut off the water flow.
\$1.95

PVC Pressure Adapter (Adapts ADPV to 1/2" PVC)
PW233
Hook up your pressure reducing valve to 1/2" PVC pipe. Purchase 1/2" PVC pipe locally. Drill 5/16" holes 8" apart, in the side of 1/2" PVC pipe and attach bracket with PVC adhesive.
\$7.25

5" Plastic Tubing Ties - 20 pack
PW227
These are UV resistant ties that are used in the tubing.
\$3.25

Step 4: Select your extra customizable components

Plastic Tees 1/2" 10 pack
PW226
Add a Tee to connect hoses and expand your watering system.
\$13.95

Low Pressure Tubing

PW191	1/4" - 50 ft	\$24.95
PW225	5/16" - 50 ft	\$25.95
PW224	5/16" - 100 ft	\$43.95

Can be used for a small and large systems. Get the size and length for your system. Color may vary.

Tubing Splicers 5/16" - 10 pack
PW223
Package of 10 plastic hose splicer for 1/4" hose or tubing.
\$6.95

Hanging Nipple Waterer

PW080

PW081 10 pk

\$29.00
\$280.00

This hanging nipple waterer is a great way to deliver water to your birds in the most sanitary way. By providing clean and fresh water, you ensure the health of your flock. Has three recessed nipples so you can set the waterer down without breaking or dirtying the nipples.

Built-in hooks clip to any type of wire hutch or coop

Galvanized Metal Cage Cups with Hooks

PW166 1/2 Pint

PW167 1 Quart

\$5.95

\$6.50

Keep food and water clean with galvanized metal cups that work equally well for small animals and poultry. Built-in hooks clip wherever you want, to any type of wire hutch or coop, indoors or out. Heavy-duty galvanized steel for years of service, with rolled edges for safety.

\$16.95

\$4.95

Perfect for cage or pens. Waterers fits through 1" square opening in cage or pen to supply adequate water for small birds or small animals. Includes spring to hold bottle. Easy to use and clean.

We've got the perfect poultry watering solution for you!

Whether your flock is large or small, we've got the perfect waterer for your birds to thrive!

Scan for our full selection of waterers online!

Winter Watering

Ensure your birds have access to fresh water, even during the cold months!

Winter Poultry Heated Drinker and Waterer Base

PW149

\$43.95

Keep your poultry's water from freezing over with this efficient base heater! This water heater keeps drinkers and waterers from freezing in some of the most extreme winter temperatures, which include temps even as low as -20°F. The Winter Poultry Heated Drinker and Waterer base also comes with adjustable brackets to help steady and brace waterers placed on it, making it the perfect addition for your flock! Do not expose to rain, wind or snow. Designed to be used inside a coop or enclosure.

Flexible Winter Drinker Heating Cable w/ 24V Adaptor

PW176

\$24.95

Keep your animal's drinker/waterer from freezing in winter with the Flexible Drinker Heating Cable! This low voltage (24V) cable is a safe and adaptable solution for your animal's cold weather drinking needs as it fits most any drinker. Simply submerge the stainless-steel coated area of the cable within the waterer, with the connection piece of the heating cable inside as well. The cable maintains steady heat to the water supply preventing it from freezing. Perfect for chickens/poultry, rabbits, and pets!

Important:

- While the cable and connector are submersible, the adaptor must always stay dry.
- This product is meant for use in water only.
- Make sure power cord is inaccessible to damage from animals and other elements.
- Do not expose to rain, wind, or snow. Designed to be used inside a coop or enclosure.

Electric Heater Waterer Base

PW136 For Metal & Plastic Waterers (pictured)

\$73.50

PW170 For Metal Waterers Only

\$56.95

Keep your birds drinking water all year round with two different styles.

Click Shield Cord Lock

HD308

\$9.50

Fast & inexpensive way to weatherproof any power cord, while also eliminating irritating & dangerous disconnects.

Wonder

Coop Spray

COOP ODOR ELIMINATING SPRAY

Wonder Coop Spray

Coop Spray is a simple and easy solution to controlling odors and keeping your coop smelling fresh. Natural enzymes start by breaking down odor-causing bacteria to stop its growth and fresh pine scent instantly leaves a clean smell, providing lasting odor control. Coop Spray only utilizes ingredients that are safe for people and animals compared to lesser products may rely on harmful chemicals. Coop Spray is multi-surface friendly and is safe for freshening up coops and cages, barns, bedding, dirt floors, vehicles, trash cans, shoes and more.

- All-in-one odor control that utilizes a fresh pine scent and natural enzymes
- Eliminates odors safely without harmful chemicals
- Can use anywhere: coops, barns, garages, vehicles, homes, and more
- Ready to use formula, simply shake and spray
- Made in the USA!

PH259 Wonder Coop Spray

Sanitation Helps Prevent Flock Disease

Kills pathogens 10x faster

Meets EPA criteria for use against SARS-COV-2, the virus that causes COVID-19

Virkon® S Disinfectant and Virucide 10 lbs

PH250

\$89.95

Virkon™ S is a science-based biocidal technology for animal health disinfection, which has been specifically engineered to provide an effective*, flexible, and convenient, modern formulated disinfectant solution for commercial livestock facilities, veterinary medical hospitals, and farm premises.

Proven effective against:

64 strains of virus†

•34 strains of bacteria

•5 strains of fungi

PI Quat 20 Cleaner - Disinfectant - Sanitizer 1 Gallon

PH251

\$26.25

PI Quat 20 is a 20% dual chain quaternary ammonium disinfectant/sanitizer registered for use in processing plants, dairies, animal quarters, poultry and turkey farms, hatcheries, and kennels. May also be used to sanitize previously cleaned food grade eggs in shell egg and egg processing plants.

Tek-Trol Disinfectant Cleaner Concentrate

PH249 1 Gallon

\$52.50

PH248 Aerosol Spray

\$10.50

TekTrol is a synthetic disinfectant that can be used in a variety of animal care facilities Works against a broad spectrum of gram-positive and negative microorganisms. Excellent solubility and works through standing dirt.

Traffic C.O.P. Foot Pan Powder 18 lbs

PH252

\$54.95

Unique blend of chlorine, deodorizers, silicates, and acid impregnated zeolites designed for foot pans in poultry and swine facilities. It does not freeze or evaporate and is effective for approximately 2 weeks. It provides an easy, affordable way to clean footwear, while controlling moisture and odor.

FortiGuard Solid Surface Sanitizer 2 lbs

PH254

\$15.95

Floor treatment that is EPA registered to kill food pathogens such as Listeria, Escherichia coli (E. coli), Salmonella, and Avian Flu. Helps to prevent slippage, fills in small, hard-to-reach areas. Plus, it lasts longer than many competitors.

Universal Pan

PH253

\$9.95

Place a foot bath pan next to the entry of your pens and add the disinfectant of your choice to the pan. We recommend Virkon S, Traffic C.O.P, and Sterilex Ultra Step.

durvet

Durvet Vitamins & Electrolytes Concentrate

PH204 Easy-to-mix jar **\$10.95**
 PH219 Concentrate **\$6.50**

Promotes healthy growth & combats stress due to extreme temperatures, overcrowding & transportation. Supplementing electrolytes during these times will help maintain proper balance of water & pH throughout the bird's body. Contains vitamins A, D, E, B complex & C. Now in two sizes and in an easy to measure 100-gram bottle (one scoop for one gallon, enough for 20 gallons). The concentrate makes 110 gallons (use 1 oz. to 27 gallons).

Durvet Probiotics Daily for Poultry

PH202 **\$12.50**

This product can be used for all poultry to give them a boost using naturally occurring microorganisms. Aids in poultry's digestive health and with nutrient absorption. Easy to use: one scoop per gallon of water. 100 grams.

Durvet Durastat with Oregano for Poultry

PH203 **\$9.95**

A natural alternative to boost immunity and stimulates water intake in your chickens. Can be used with other Durvet poultry soluble products. Easy to use: one scoop per gallon of water. 100 grams.

Durvet Layer Boost with Omega 3

PH205 **\$15.50**

Ideal for laying hens, Layer Boost provides the needed nutrients to improve the quality and quantity of eggs produced by your hens. 100 grams.

Protect Your Flock From Disease

VetRx Veterinary Aid

PH201

\$14.75

A few drops of VetRx every few weeks can relieve a multitude of illness symptoms in birds including: colds, croup, scaly legs, and eye worms. May be used in sprays, vaporizers, drinking water, and feeds. Follow instructions for use. 2 oz.

Poultry Protector All-Natural Non-Toxic Coop Spray

PH246 33.9 fl oz Concentrate - Treats 25-100 birds

\$22.25

Cleans away parasites naturally. Use on the birds, their bedding and surrounding grounds. Studies show that when fleas, mites and lice are not available on or around your birds they become less aggressive and less stressed. Allows them to increase egg production and gain weight.

*Recommended for
1 day old chicks*

Vaccine for Marek's Disease 200 mL - 1,000 Dose

PH239

\$57.95

Vaccinate one-day-old chicks only to aid in the prevention of the signs and lesions of Marek's disease. Sterile syringe and needle included. Cannot ship outside the U.S. To ensure the product arrives chilled, we strongly recommend selecting UPS 2 Day Air or UPS Next Day Air shipping.

Treats & prevents enteritis

Bacitracin Soluble

PH224

\$32.50

Treats and prevents enteritis in chickens (up to 16 weeks of age), quail and turkeys.

For your flock's gut health

Zyfund® A Chicken Dewormer 30 ml

PH207

\$15.75

Proprietary, all-natural supplement for use during feed changes, stressful times, environmental changes or other events to help maintain normal digestive health. Keeps intestinal parasites away and safe for organic-certified flock management.

RopaPoultry Complete Oregano Oil+ Supplement - 500 ml

PH243

\$36.75

100% natural essential oil ingredients with antifungal, antiviral, and antibacterial agents to improve flock health so they can produce high-quality eggs and great quality meat.

Add OregaPro to your health aids!

OregaPro is the perfect addition to your water mixture to help keep your flock happy and healthy! OregaPro is specially created to boost your birds' immune system and is even helpful in times of stress!

Check out OregaPro and the Wonder line starting on page 36!

Detects pullorum disease & fowl typhoid

Pullorum Antigen

PH359	350 tests - 14 ml	\$136.50
PH360	1,000 tests - 40 ml	\$267.50
PH241	Blood Testing Instrument	\$11.95

This will bring out reactors in fowl that carry Salmonella Pullorum. Testing is required for poultry shows. This antigen is a suspension of five killed, stained strains of Salmonella pullorum for the detection of pullorum disease and fowl typhoid in poultry flocks. Cannot ship outside the U.S. Stromberg's recommends choosing UPS 2 Day Air or UPS Next Day Air shipping to ensure this product arrives chilled.

Vetericyn Plus Utility Spray 16 oz

PH199 **\$32.95**

Vetericyn Plus Utility Spray is an all-purpose wound cleansing care solution for livestock application. Vetericyn Plus Utility Spray is a one-step liquid solution for cleaning, irrigating, debriding and moisturizing wounds, lacerations, abscesses and sores. You can also use it on any sensitive areas that commonly become irritated. This product contains no antibiotics or steroids and will not sting or burn. This product requires no withdrawal time for meat or eggs.

Electric Fence Tester

HD445

\$13.75

Get an accurate read on your electric fencing every time! 10 indicator bulb: 1000V-10000V

*Clean fencing (no green weeds or shorts). A typical fence has weeds that draw power, reducing the miles rating. All Gallagher chargers come with a "miles" rating to help you decide which charger will be ideal for your length of fence. The longer your fence line, the bigger charger you will need to maintain 7,000 volts along the entire length. If you have 3 miles of fence line with 4 lines of poly wire, you actually have 12 miles of fencing material to be powered.

Your First Chicken Coop

PC196

\$495.95

Introducing the ideal chicken coop to kickstart your poultry hobby! Designed to accommodate five hens comfortably, this coop combines spacious living with the durability of high-quality plastic construction. Its sleek surfaces facilitate effortless cleaning and maintenance, ensuring a hassle-free experience. Featuring dual-sided openings, managing litter removal becomes a breeze. Crafted from UV-protected, BPA-free plastic, the coop assembles seamlessly and guarantees longevity. Security is a top priority with four doors equipped with a reliable locking system.

Your hens will love the convenience of an entrance and exit ramp, a dedicated perch, and a cozy nest for laying eggs. The coop prioritizes ventilation with a rotary system, allowing you to control the airflow. Plus, a clever rainwater collection system ensures a fresh water supply for your feathered friends.

To guide your hens, we've included a plastic egg, making it clear where egg-laying is encouraged. With an emphasis on easy cleaning and simple assembly, this chicken coop promises a delightful and practical experience for both hobbyists and their feathered companions.

Features Include:

- 4 doors with locking system
- Entrance and exit ramp for the hens
- Includes perch
- Nest for the hens to lay their eggs
- Ventilation, with rotary system to choose the level of air intake
- Pipe with a bucket to collect rainwater. This is used for the hens to drink water
- Includes one plastic egg to help show where your birds should lay
- Easy to clean
- Easy assembly

Your First Chicken Coop Features:

Pipe with bucket to collect rainwater - a great source of water for your hens!

4 doors with locking system for added predator protection

Ramp provides your hens will easy access to the coop

Perch and nesting box for hens inside coop

Coop features adorable details and durable designs

Coops & Pens

Give your birds a dream house that offers protection from predators and the elements!

"The Egg Hut" Wooden Chicken Coop (up to 3 chickens)

PC115 **\$262.50**

The Egg Hut is a beautiful coop with a sturdy design made of fir wood. Egg collecting is made easy by the convenient accessibility to the nest box. The window allows circulation of air through the coop. Portable and easy to assemble. Measures 76" L x 28.7" W x 44.5" H.

*While supplies last**

"Cluck Hut" Wooden Chicken Coop (3-5 chickens)

PC108 **\$367.50**

This sturdy design holds up to 5 chickens easily. Built with fir wood, it is functional yet complimentary to any home or garden. The two easily accessible nest boxes give your birds space to roost and make egg collecting a breeze. Comes with a pull out cleaning tray for quick coop maintenance. Stands 63" X 35.5" X 44.5". Assembly required.

*While supplies last**

"Hen House" Wooden Chicken Coop with Run (2-3 chickens)

PC105 **\$262.50**

The Hen House is made of durable fir wood. The waterproof roof on both the coop and nesting box keeps your chickens dry while the window allows for ventilation. Comes with a pull-out cleaning tray for quick coop maintenance. Portable and easy to assemble. Measures 78.3" L x 28.7" W x 51.2" H.

*While supplies last**

Galvanized Walk In Chicken Run with Roof

PC116	6.6 ft x 9.8 ft x 6.6 ft	\$577.50
PC117	13.1 ft x 9.8 ft x 6.6 ft	\$647.95
PC118	19.7 ft x 9.8 ft x 6.6 ft	\$697.95

These walk-in runs allow easy access to your birds while keeping them safe. You no longer have to duck or crawl into the run to feed or check your birds. They are easy to assemble and come in three convenient sizes that will work in any yard. Place your coop inside and use it as a stationary run or keep your meat birds safe as you move it around the yard. Also comes with a high-quality tarp to provide shade for your birds. Made of galvanized steel and PVC coated chicken wire to last for years to come. PC116 pictured. Tarp does not cover the whole top of run on PC117 and PC118. *While supplies last**

DIY Coops with Building Plans

If you're the DIY type, this the perfect hybrid to build your perfect coop. The plans are made for a coop that is aesthetically pleasing, not too big or too small, easy to clean, can hang heat lamps, and not complicated to build. Some building experience is recommended. Purchase online to receive your digital download.

Included in each plan:

- Digital Instructions
- Material List
- Tool List
- 3D Illustrations

You can build these!

Automatic Coop Doors

No more running to let your flock out! Upgrade your coop with the automation.

CoopSecure Plus Automatic Chicken Coop Door Opener

PH400

\$163.95

This automatic chicken coop door opener is a must-have for your coop! Easily programmable to open in the morning and close in the evening, saving you time and energy! Anti-pinch function means your chickens cannot be harmed by the door, giving you peace of mind! Runs on your choice of 4 AA batteries or 1 x 6V battery (not included).

ChickSafe Chicken Coop Door Opener

PC400	Eco Opener	\$99.95
PC401	Advance Opener	\$169.95
PC402	Door Kit	\$49.95

These weather-resistant door openers automatically detect if the coop door is opened or closed, so there is no calibrating! With an automatic stop and no mechanical switches, these coop doors are a reliable choice. Takes 4 AA batteries. Batteries not included.

The PC400 Eco Opener operates by using a photo sensor, opening when the sensor detects light. The PC401 Advance Opener uses the same photo sensor but also can be set to open and close at specific times. Both openers work perfectly with the PC402 Door Kit (sold separately).

Keep birds in, keep predators out!

Stromberg's Heavy-Duty Knotted Netting:

- Strong, knotted mesh with flexible construction
- Great longevity - can last 10+ years
- Numerous uses - caging, separation, breeding and harvesting
- Will not rust, rot or mildew
- UV resistant
- Can be used in areas with snow and ice
- Heavy-duty construction - 380 denier 20 ply poly strands

This high quality heavy duty game bird netting is just what you need to contain your game birds. The heavy duty netting is capable of withstanding 85 pounds. It is made with UV resistant polyethylene which is made to last 10 years or more in the field. The netting is knotted, which is known for not getting caught in peepers and pins if you are protecting your birds from cannibalism or pecking. This heavy duty netting is perfect for areas that receive snow. This style of netting can also be used in any poultry area that you may want to protect your birds from aggressive birds of prey. When your chickens matter to you and you can't keep the birds out of the chicken run, this product will be sure to protect them. Use rings and ring clincher (sold separately) to install or simply use the zip ties. Netting is non-returnable once taken out of the original packaging.

Available in two mesh sizes!

Stop Predators & Pests in Their Tracks

Repeating Mouse & Rat Trap

TL130

\$54.95

Tired of all the mice and rats eating your chicken feed? Our repeating mouse and rat trap will continue to catch those pesky rodents without any work. We recommend baiting the trap, but have had excellent results without any bait at all! Use the trap in pole barns, garages, or any place you are worried about mice. It is has proven to be the best mouse trap we have ever tested or marketed. Operates as a live trap.

Nite Guard Solar Animal Repellent

HD364 Nite Guard

\$33.95

HD366 Repellent Tape

\$17.95

Predators react to the red flash of the Nite Guard as they would the eye of another predator and leave the area.

Rat & Mouse Bait Stations

TL112 Mouse Bait Station

\$12.75

TL113 Rat Bait Station

\$18.95

The mouse or rat will eat the poison and return to their nest and perish. The bait station provides a secure spot where pets and children do not have access to the poison. Bait chunks sold separately.

Tomcat Bait Chunx

TL151 All-Weather

\$23.95

TL150 with Bromethalin for Mice and Rats

\$31.50

One-ounce bait block can kill up to 12 mice or 10 rats. The mouse or rat will eat the poison and return to their nest and perish. 4 lb pail

Rodent Traps

TL101 The Better Rodent Trap - 2 pack

\$9.50

TL102 Sure Catch Multiple Catch Mousetrap

\$19.00

Capture mice and rodents easy! No complicated mechanical parts. Just press to set and squeeze to release. No-touch design makes these traps a snap to use. For mice, moles, shrews and other very small animals.

Starplate Building System

Starplates are steel plates, with channels to hold 2x2's, 2x3's,

- **Build a chicken coop in a day!**
- **Versatile DIY project**

Nesting Boxes

We offer a large selection of chicken nesting boxes for sale in a variety of different styles, sizes and features. Our poultry nest box selection ranges from Conventional Nest Boxes and Roll Out Nest Boxes to Large Bird Roll Out Nest Boxes. Whether you need large or small nest box solutions, we have everything you need.

Stromberg's Front Roll Out Nest Box

PC160 4-Hole	\$320.25
PC161 6-Hole	\$330.00
PC162 8-Hole	\$368.95
PC163 10-Hole	\$441.00

Our conversion 4, 6, 8, and 10-hole nest boxes are a Stromberg's Exclusive! The new design of our galvanized metal nesting boxes allows you to easily convert each individual hole from the rollout feature to conventional whenever the need. It grants the ability to have any number of your nest compartments with the rollout feature preventing your eggs from getting dirty or soiled from your hens. Each nest box has its own individual metal flap for easy collection. Have a broody hen and do not want the roll out feature in one of your nest holes? No worries, remove the roll out nest bottom and install the conventional nest bottom then just securely close the flap with the latch. The plastic perch allow for easy sanitation. It flips up for egg collection and to close off the nest boxes at night if necessary. Includes roll out nest bottoms and 12"x12" conventional nest bottoms. Some assembly required.

Nesting Boxes

My Cozy Nest

PP198 Single **\$33.95**
 PP199 10 Pack **\$315.00**

The Cozy Nest offers the perfect place for your birds to lay their eggs. The black out curtain provides a safe and dark place that your birds will naturally gravitate to for egg laying. The ventilation grills provide the necessary air flow so the birds feel comfortable in the nest but not exposed to drafts. The molded plastic is easy to clean and with the built in lip the birds do not kick the shavings out of the nest. We recommend putting wood shavings or excelsior nest pads in the bottom of the My Cozy Nest.

Best for small flocks!

Galvanized Nesting Box with Plastic Baskets

PC220 Single **\$47.95**
 PC221 Double **\$68.95**
 PC222 Triple **\$121.25**

Have a small flock? Use our one, two, or three hole roll out nest boxes in your coop. The plastic construction allows for easy sanitation when needed. The roll out egg feature keeps eggs cleaner and prevents hens from pecking the eggs.

Collect from the back

Perfect for collecting eggs in aisles

10 Hole Rear Roll Out Nest

DSPC210 **\$599.95**

This nest is designed for those desiring to collect eggs from aisles in between the pens. The nests can be mounted on the wall, the hens enter from the front and the eggs roll out the back. The back is hinged so the collector can push in for inspection, plus the back of the nest is blocked so the hen can't go out. Complete with plastic roll out bottoms. 60" W x 34" H x 12" D. Rivet gun required for assembly, not included. **Ships direct from manufacturer.**

Stromberg's says:

Unlock the benefits of a roll-out nest – a simple yet effective solution that safeguards your eggs and maintains their cleanliness. How does it work? The nest is designed with a gentle incline; as the bird lays an egg, it smoothly rolls down into a protected compartment. This innovative design minimizes the time eggs spend in the nest, ensuring they stay cleaner. Additionally, the roll-out nest shields eggs from the risk of breakage by preventing interference from clumsy or egg-eating hens.

Nesting Pads & Essentials

12" x 12" Turf Nesting Pad

PC254 **\$7.95**

Customer favorite! This is a great new product to come to the nest pad market. These nest pads are made out of high-quality turf grass. American made and have a one-year manufacturer's warranty. This pad is also very easy to clean you can just hose it off let it dry and set it right back into the nest box. These turf nest pads are so soft your birds will love them!

13" x 13" Excelsior Moisture Wicking Nesting Pads

PC258 40 pk **\$59.95**

Excelsior nest pads help to provide cleaner, fresher, better quality and more hatchable eggs. They are economical, easy to place in the laying nests and help in faster egg gathering. The eggs are on top, clean and fresh rather than having to hunt and dig for eggs as with some other products. They also draw moisture from droppings which drop to the paper below, out of the area in which the eggs are laid.

Washable Plastic Nesting Pad

PC219 **\$3.45**

Assures cleaner, better hatching eggs. Resistant to lice, insects, rot, mildew & fungal growth. Allows dirt to pass through the nesting pad. Washes out easily. Sturdy plastic material. 11" x 11.5"

Plastic Roll Out Nest Pad

PC208 **\$8.95**

Specially designed roll-out nest pad for roll-out nest boxes. Material simulates straw and other nest filling materials. Compatible with our 4, 6, 8, or 10 hole nest boxes (pg 61). Fit snugly in the individual holes in each nest box. Made of durable plastic, easy to clean, and helps keep eggs clean.

Plastic Nest Eggs - 6 pk

PP096 Bantam/Pigeon	1	\$5.95
- White	2+	\$3.75
PP099 Chicken - White	1	\$4.50
	2+	\$3.25

Dummy eggs for use in nests to encourage new, first time layers. Sometimes called "fooling eggs"! Sold in packs of 6.

Rubber Nest Eggs 2 pk

PP097 **\$8.95**

Realistic nest eggs made of rubber to encourage your hens to lay eggs inside the nest box. They are unbreakable, durable, and discourage egg eating. Pack of 2.

12" x 12" Adjustable Plastic Nest Bottoms

PC214 **\$7.00**

Plastic will not rust, rot or corrode from broken eggs and manure. Features adjustable ends allowing it to fit practically all nests with a 12" front. Has flexible end flaps that are 2.25" to fit the size of any nest. Easy to remove and clean.

Roll Out Nest Bottom Converter

PC209 **\$15.45**

Plastic roll-out nest bottom for replacement or conversion. Unit is made out of heavy-duty plastic material to provide multiple seasons of trouble-free utilization. 12" x 21" x 3"

HOT SCALDERS

Getting the perfect scald on your birds is the key for easy plucking and a smooth running processing system overall. Achieving that perfect scald starts with having a great scalding. At Stromberg's we carry a variety of scalding options that, regardless of the size of your operation, gives you a delicious dressed bird you can be proud of every time.

14.5 & 26 Gallon Scalding Features:

Heats quickly & maintains heat by closing lid

Inner stainless steel basket strains out feathers

Adjust & read the temperature easily

Built-in drain for easy cleaning

Two size options, same great features!

Both Stromberg's 14.5 & 26 Gallon Scalders carry these features, so regardless of the capacity you need, you get a perfect scald every time!
(PP930 - 14.5 Gallon Scalding shown above.)

14.5 Gallon Scalder

PP930

\$367.50

Meet our 14.5 gallon Stainless Steel Poultry Scalder – the ideal solution for small to medium-sized flock owners. Crafted for efficiency, this scalder boasts a dial thermostat for easy temperature control and a built-in lid to aid in heating. Cleanup is a breeze with the user-friendly drain and convenient strainer basket that effortlessly removes feathers and debris. Simplify your poultry processing experience with this durable and efficient Stainless Steel Poultry Scalder – the perfect tool for achieving consistently excellent results.

1 Year Warranty from purchase date

Features:

- Made of 201 Stainless Steel
- 110V cord with plug
- Temperature range – 32° F – 230° F
- Full tank capacity: 14.5 gallons
- Fits 1-2 chickens

Dimensions:

- Outer width: 13.75"
- Basket width: 10"
- Scalder height: 26.5"

**1-2
Chickens
scalded at a time**

26 Gallon Scalder

PP935

\$525.00

Introducing our 26 gallon Poultry Scalder, perfect for handling larger jobs with ease. Whether you're working with larger birds or processing a larger quantity, this scalder ensures optimal performance. The dial thermostat guarantees precise temperature control for your scalding water, while the user-friendly drain and convenient strainer basket simplify cleanup by effortlessly removing feathers and debris.

The 220-volt heating element ensures a rapid heat-up and quick recovery to the target temperature, making your poultry processing experience efficient and reliable. Upgrade to our 26 Gallon Poultry Scalder for streamlined operations and consistently superior outcomes.

1 Year Warranty from purchase date

Features:

- Made of 201 Stainless Steel
- 220V cord without plug
- Temperature range – 32° F – 230° F
- Full tank capacity: 26 gallons
- Fits 3-4 chickens

Processing

We have the right equipment for the job! Get everything you need to take your birds from farm to table!

Plastic Fish & Game Cleaning Table

PP944

\$70.95

This folding table is ideal for quick setup and easy storage. Constructed of durable low-molded poly, features a stainless steel faucet that can be connected to a garden hose. The faucet can be removed for easier storage. The table also features a tapered channel for water drainage, drain hose, and a built in ruler located on top of the table. For quick and easy storage, simply fold the legs and disconnect the faucet. Can also be used as a potting table, for cleaning fish or game, or brought along while camping or tailgating. 150 lb. load capacity 44 in. long by 23.5 in. wide by 37 in. high and weighs 23 lbs. 1-year limited warranty.

30 Qt. Poultry Fryer/Scalder Kit

PP836 Fryer/Scalder Kit

PP838 10 qt Fry Pot/Strainer Add-on

\$61.95
\$29.95

Fry your poultry or scald your birds with ease using just one piece of equipment. This unit has a sturdy steel base with a powerful 54,000 BTU burner and a wind guard to ensure a strong flame and even cooking. The 30-quart aluminum stock pot has the capacity to fit a large turkey. The kit also includes a poultry rack, 12" probe thermometer, lift hook, and a 1 oz injector. Don't forget to purchase the additional 10 qt. Fry Pot/Strainer for perfect fried fish every time!

Easily remove duck pin feathers with wax!

Reusable Poultry Wax 10 lb

PP920

\$51.95

1 lb per 4 ducks. Use for dressing turkeys, chickens, geese and game birds. Most of the wax may be recovered and can be reused. Improves appearance and removes pin feathers with ease!

Processing Essentials

Don't get caught without the right equipment. Our processing tools help keep you safe while humanely processing your harvest.

Cutting Glove

Sizes S-XL (CL172-CL175) **\$17.00**
No longer worry about cutting your fingers while culling your birds. These lightweight gloves will keep your fingers and hands safe while using your sharp knife.

5" Boning Knife

PP840 **\$12.75**
A must for poultry processing and in the kitchen. This knife is for removing the bones of your fowl carcass, evisceration and as an all-around multipurpose butchering knife. It has a 5" high-carbon steel blade and a slip-resistant polypropylene handle.

NSF Certified Sticking Knife

PP847 **\$15.95**
This NSF Certified Sticking Knife has a narrow blade knife and is used to stick poultry and general evisceration. The 3" blade is made out of high-carbon steel and the polypropylene handle is textured to ensure being slip-resistant.

Pinning Knife

PP841 **\$13.95**
Helps remove those stubborn pin feathers. Use this knife to scrape the pin feathers out of the bird. The blade is 2.5" long and made out of high-carbon steel. The handle is a textured, slip resistant polypropylene.

Skinning Knife

PP844 **\$31.50**
This is a curved skinning knife that is especially useful when "parting out chicken", meaning separating legs, wings breasts etc.

9" Heavy Duty Shears

PP855 **\$52.50**
9" Heavy Duty Shears used for poultry processing.

Gizzard Scissors

PP848 **\$66.25**
Made of hot forged, thru-hardened, fully double-plated chrome over nickel, this poultry shear is great for poultry and food processing. High leverage with multipurpose use. Made in Italy. **While supplies last!**

Lung Remover

PP851 **\$14.95**
Save time and reduce fatigue with this great tool. Reduces the pain and fatigue on your fingertips from manually scraping the lungs out of birds. Makes processing faster by using the right tool for the job!

Claus Poultry Shear

PP849 **\$55.95**
These specially designed shears are curved to the right to help you when you are processing your poultry. It is really useful when it comes time to cut the heart and liver. They are made out of a cutlery grade steel that is double-plated with chrome over nickel to protect against rust and stains. **Discontinued - available while supplies last!**

Knife Sharpener

PP846 **\$33.95**
This knife sharpener is a must for every poultry butchering tool kit. Having sharp knives makes the job easier and safer! Blue diamond stones sharpen and hone creating a new edge. White ceramic stones polishes the edge. Safe and easy to use

Restraining Cones

Restraining cones are an essential tool for humane and efficient bird processing. They securely hold the bird in place, minimizing stress and movement during processing, which ensures safety for both the handler and the animal. By preventing excessive movement, restraining cones help achieve cleaner cuts and improve the overall quality of the processing outcome. Durable and easy to clean, these cones are designed for repeated use, making them a reliable and valuable addition to any processing setup.

**Fits 4-14
cones!**

Adjustable Restraining Cone Stand

PP980	Adjustable Restraining Cone Stand	\$327.95
HD730	Shallow Catch Pan	\$27.95
HD732	Deep Catch Pan	\$56.95

Adjust your processing to fit your needs and comfort. Features adjustable height and length, which means you can fit between 4-14 cones depending on the cone size! Has a zinc finish so it will last for years. 48" W x 71 1/4" H. Cones sold separately. Don't forget to add a catch pan for easy cleanup!

Stainless Steel Poultry Restraining Cones

PP570	Small, Pigeons & Game Birds (9"x7"x3")	\$24.95
PP572	Large, Geese & Small Turkeys (13"x12"x5")	\$29.95
PP573	Extra Large (17"x15"x6")	\$34.95
PP574	XX Large (23"x20"x6")	\$39.95

These quality-constructed stainless-steel restraining cones (also known as killing cones) are made from 18-20 gauge stainless steel. These make restraining birds for slaughter easier.

*While supplies last**

Economy Poultry Processing Cones

Cardboard Transport

Move your birds safely and economically in one of our lightweight but durable cardboard transport options! Easy on the wallet and no clean-up later!

Quick Fill Cardboard Transport Crate

PP169 5 pk **\$49.95**
 PP172 Waxed Bottom Insert, 5 pk **\$18.95**

Never wash a crate again! These crates work great when you want to transport your birds but don't want to deal with washing plastic crates. This makes for a great biosecurity measure and time saver. A quick fill door means you can load birds fast and easily. A second door opens fully so you can quickly get the birds out of the box when needed. Stores flat. Made of one peice for simple assembly. For extra durability, add the waxed bottom PP172 insert to increase the floor stiffness. Biodegradable. No staples or tape needed for assembly.

Specifications:
Overall Dims: 15 1/4" W x 9.25" H x 24" L
Side Door Dims: 10" W x 5.75" H
Floor: Solid

Pairs perfectly with the Waxed Bottom Insert

GREAT FOR TRANSPORTING:

PP172 Sold Separately

Chick Shipping Box 25 pk

PC184 50 Chick Size **\$78.95**

These baby chick boxes are made of sturdy cardboard to protect our feathered friends. The boxes include two evenly spaced compartments, have great air circulation, and are USPS approved. Sold in packs of 25. PC184 measures 19" x 12" x 6.5" and has an approximate 50 chick capacity.

Live Bird Shipping Cartons

PC181 1- 11 **\$12.95**
 12+ **\$10.75**

These shipping cartons are especially designed for shipping live adult birds. This is the "original" bird shipping crate. You can hold 1 adult chicken, 2 pigeons, 6 canaries or finches, waterfowl, etc. 1 compartment. Up to 8 lbs. total weight. 18" x 8" x 18"

Large Live Bird Shipping Cartons

PC182 1- 5 **\$36.75**
 6+ **\$31.50**

Larger size for bigger birds. Comes with dividers so you can easily separate birds. Can split it into 1, 2, or 4 compartments very easily. 16" x 16" x 16". Holds up to 90 lbs.

Transporting Your Birds

Temporary Methods of Identification

Bandettes

- Marked with large, easy-to-identify numbers
- Great for identifying individual birds

Spiral Bands

- Easy to apply
- Very popular for all bird ages

Numbered Zip Ties

- No need to measure bird legs
- Won't budge unless removed intentionally

Permanent Methods of Identification

Toe Punch

- Mark your birds once for life
- 16 distinct variation punches

Jiffy Wing Bands

- Most recommended method
- Placed in an area with no major blood vessels
- Crimped to the wing

Custom Imprinted Bands

- Easy tracking with customization
- Butt-end style

Scan the code to get tips and tricks on how to identify and tag your bird from baby chick to adulthood!

Identification bands are a must for a good breeding program and show exhibition.

New to ordering baby chicks and other poultry? Let our experts help!

- ✓ **AVAILABILITY:** Call us to check for specific breed availability. We coordinate with our hatchery partner to ensure hatches are scheduled weekly, but specific breeds can run out. The early bird gets the bird - order early!
- ✓ **SCHEDULING:** We will assign you the earliest available date for the combination of birds ordered when your order is placed. We will notify you of your ship date via email. If an email address is not provided, we will call the phone number on your order.
- ✓ **SEASONALITY:** Many of the breeds that you see in the catalog are seasonal, which means we cannot send them out until they are hatching. For example, Geese do not usually start hatching until March. We suggest you order early in the spring, so that you can be first on the list when your desired bird hatches!
- ✓ **SHIPPING & DELIVERY:** Your birds will ship via USPS PRIORITY MAIL on your scheduled ship date. They will arrive at your local post office (and be held for pickup) approximately 48 hours after shipping. The post office will call you upon arrival notifying you that your birds are ready for pick up. Be certain you are prepared and have your brooder warmed up, and your feeders and waterers full. We offer the largest supply of feeders and waterers to help you get started!
- ✓ **GUARANTEE:** We guarantee live delivery of your birds. You must call to report any losses within the first 48 hours of receipt. See page 146 for details.

RAISE YOUR OWN MEAT

Cornish Rock Cross Chickens are the best meat bird on the market! These cross-breed birds make very fine broilers. These birds grow very fast and produce large breast, leg, and thigh proportions, which make these birds very popular and a very cost effective investment. Shop our Cornish Rock Cross Chickens and raise your own meat in your backyard!

CORNISH ROCK CROSS CHICKS THE PERFECT MEAT BIRD

- ✓ Bred to grow fast and ready to put on weight

Old English Game Fowl Assortment

LC788	1-14	15+
	\$10.80	\$10.35

Sold in 15 or 25 counts.
Guaranteed two or more varieties.

Bantam Not Sexed Only

Bantams are considered a miniature chicken and can be a third to a fifth the size compared to a standard chicken. Bantams are popular for pets, for showing, for being good broody mother hens and great for small backyards where space is limited. They come in many colors and with feather legged and clean legged types. Most of these bantam breeds are sold as not sexed but a few breeds are offered with options of pullets (female chicks). Most bantams hatch and ship between February and August, and you can start booking your order for these breeds/colors in January.

Assorted Runner

Save money and be surprised! Cannot order specific colors.

		2-29	30-124	125+
LE724	Not Sexed	\$11.10	\$8.70	\$7.30
LE725	Female	\$15.70	\$12.80	\$10.60
LE726	Male	\$8.50	\$6.40	\$5.45

Goslings

Geese are entertaining and great to eat! Waterfowl are shipped when they are freshly hatched out of our hatchers on Mondays and Wednesdays. A goose is good for producing down for insulation, meat for food, warding off threats, and keeping your pond active. If you nurture them, they can make great pets.

Super African

Best guard goose! Very vocal. Large with a well-developed dewlap. Origin: China.

		2-15	16-63	64+
LG206	Not Sexed	\$68.45	\$68.45	\$68.45
LG207	Female	\$115.45	\$115.45	\$115.45
LG208	Male	\$52.75	\$52.75	\$52.75

Buff Toulouse

Very distinctive coloration and disposition of Buffs.

		2-15	16-63	64+
LG239	Not Sexed	\$55.95	\$52.20	\$47.05
LG240	Female	\$93.60	\$89.35	\$80.60
LG241	Male	\$43.40	\$39.85	\$35.90

Large Dewlap Toulouse

Great exhibition bird! Its unique characteristics are the large dewlap of skin below their beak, a deep keel handing from the breast, and two lobes in their full paunch. Calm. Fertility may be a problem.

		2-15	16-63	64+
LG245	Not Sexed	\$160.00	\$160.00	\$160.00
LG246	Female	\$275.65	\$275.65	\$275.65
LG247	Male	\$121.45	\$121.45	\$121.45

Sebastopol

Very unique looking! Pure white. Feathers do not insulate them well so in cold weather they may spend more time inside than other breeds. Poor fertility and egg production.

		2-15	16-63	64+
LG233	Not Sexed	\$150.35	\$150.35	\$150.35
LG234	Female	\$285.55	\$258.55	\$258.55
LG235	Male	\$114.25	\$114.25	\$114.25

French Toulouse

Utility goose that is very hardy and grown commercially in France. Fast growers. Not an exhibition Toulouse.

		2-15	16-63	64+
LG242	Not Sexed	\$34.60	\$31.15	\$28.05
LG243	Female	\$56.20	\$52.50	\$47.30
LG244	Male	\$27.40	\$24.05	\$21.60

Tufted Toulouse

Calm breed that is fast growing! Utility goose that is very hardy and grown commercially in France.

		2-15	16-63	64+
LG248	Not Sexed	\$44.05	\$40.35	\$36.35
LG249	Female	\$72.60	\$68.50	\$61.75
LG250	Male	\$34.55	\$30.95	\$27.90

Mixed Goslings

Breeder's choice! Can include anything from the common Embden to the rare Sebastopol.

		2-15	16-63	64+
LG200	Not Sexed	\$22.10	\$19.30	\$17.40
LG201	Female	\$35.05	\$32.05	\$28.85
LG202	Male	\$17.80	\$15.05	\$13.50

Goslings

White Chinese

One of the smallest domesticated geese breeds! Has a long neck and snow-white feathers. Very talkative, making them the perfect choice if you want to be alerted to intruders. Mostly used for weeding purposes. Great for orchards, gardens, and pastures. Prolific egg-layer, laying around 30-45 eggs per year. Origin: China.

		2-15	16-63	64+
LG218	Not Sexed	\$23.85	\$21.05	\$18.90
LG219	Female	\$38.10	\$35.10	\$31.60
LG220	Male	\$19.10	\$16.35	\$14.70

African

Beautiful midsized breed that are very active foragers! Good egg producers with above average fertility. If you live in northern climates, it's recommended to provide them shelter as their knobs can become frostbitten if they are not given sufficient protection from the cold. Origin: China.

		2-15	16-63	64+
LG203	Not Sexed	\$24.30	\$21.45	\$19.30
LG204	Female	\$38.85	\$35.85	\$32.25
LG205	Male	\$19.45	\$16.65	\$15.00

Brown Chinese

Small, light, and elegant breed! Has a pronounced knob on their head. Origin: China.

		2-15	16-63	64+
LG215	Not Sexed	\$36.20	\$32.70	\$29.45
LG216	Female	\$58.95	\$55.15	\$49.70
LG217	Male	\$28.60	\$27.50	\$26.20

Toulouse

One of the best breeds for hatching and raising their own young! Dark feathers for a neater and cleaner look. Sturdy, durable breed that lay a good number of fertile eggs. Origin: France.

		2-15	16-63	64+
LG236	Not Sexed	\$32.45	\$28.90	\$26.00
LG237	Female	\$52.25	\$48.45	\$43.65
LG238	Male	\$25.85	\$22.40	\$20.10

Embden

Most common goose used for commercial meat production! Snowy-white color with a stout, round body, neck, and round head. Quick grower and large in size. Easy to breed. Hardy and lay good quantities of eggs. Origin: Germany.

		2-15	16-63	64+
LG221	Not Sexed	\$25.35	\$22.45	\$20.20
LG222	Female	\$34.55	\$31.50	\$28.40
LG223	Male	\$28.45	\$25.45	\$22.90

Buff

Calm and friendly breed that features unique buff-colored feathering. Developed for commercial meat production.

		2-15	16-63	64+
LG209	Not Sexed	\$43.35	\$39.70	\$35.75
LG210	Female	\$71.40	\$67.30	\$60.70
LG211	Male	\$34.05	\$30.50	\$27.45

Pilgrim

Calm and known to be excellent parents! Males are white with some gray on the rump or wings. Females are gray and often have white on the head. Eggs have a low fertility rate.

		2-15	16-63	64+
LG224	Not Sexed	\$46.10	\$42.35	\$38.15
LG225	Female	\$76.15	\$72.00	\$64.90
LG226	Male	\$36.05	\$32.45	\$29.25

Tufted Roman

One of the oldest breeds! Smaller breed that is friendly, active, and docile. Its crest occurs due to a group of feathers that stand more upright, creating the appearance of a small helmet on their head. Origin: Italy.

		2-15	16-63	64+
LG227	Not Sexed	\$42.05	\$38.35	\$34.55
LG228	Female	\$69.00	\$64.95	\$58.60
LG229	Male	\$33.05	\$29.45	\$26.50

Pheasant & Chukars

You may need a permit for pheasants. Check with your state's wildlife department. Some states require a special health certificate.

Chinese Ringneck Pheasant

LP130	Not Sexed	30 - 99	\$3.35
		100 - 199	\$3.05
		200+	\$2.95

One of the most popular birds used by hunting preserves and sportsman's clubs! Known to be a powerful flyer. Blue-green head with a distinctive red ring around the eyes and white ring on the neck. 20 weeks to maturity. Live Weight: Male 2 lbs at 26 weeks.

Prices include shipping!

Chukar Partridge

LP202	Not Sexed	Box of 50	\$162.50
		2+ Boxes	\$154.50

Stout gray bird with light, silky smooth feathers on its head and a distinctive black band passing across its eyes, circling the face and ending at a V at the throat. It has orange legs and a beak that grows so fast that it must be de-beaked often. 26-28 weeks to maturity and then begins laying, following mating season. Origin: India. Chukar partridge chicks will begin shipping in mid May. Sold in boxes of 50.

Prices include shipping!

Pheasant

You may need a permit for pheasants. Check with your state's wildlife department. Some states require a special health certificate.

XL Ringneck Pheasant

	30-49	50+
LP168 Not Sexed	\$5.25	\$4.85

A great meat bird! Not as large as the Jumbo Ringneck Pheasant, but about 30% larger than the regular Ringneck. Same plumage color as the Ringneck. The breed is primarily of Mongolian blood and is a challenging bird for dogs to get into flight as it tends to be a ground runner. Female weight: 2.5-3 lb. Male weight: 3.5-4 lb.

Manchurian Cross Pheasant

	30-49	50+
LP170 Not Sexed	\$5.00	\$4.65

Looking to propagate your land? This breed is the perfect fit! These birds have great naturally wild characteristics, which are seen in their physical appearance and performance. Female weight: 2.5 lb. Male weight: 3.25 lb.

Melanistic Mutant Pheasant

	30-49	50+
LP167 Not Sexed	\$5.00	\$4.65

Color variation out of the Ringneck; Iridescent green-black sheen. Similar in size to the Ringneck. Female weight: 2.5 lb. Male weight: 3.25 lb.

Kansas Pheasant

	30-49	50+
LP169 Not Sexed	\$4.65	\$4.30

Explosive, high-flying bird that will surely create a buzz with the guests at your hunt club or your hunt club buyers! This bird is blue backed and is efficient with a good feed conversion rate. It is a smaller pheasant. Female weight: 1.6 - 1.8 lb. Male weight: 2.25-2.5 lb.

Prices include shipping!

Adult Birds

Availability of these birds varies, please call for details. Certain birds, such as pheasants and other migratory birds, may require a permit. Contact your state wildlife management department for information. We are unable to export birds or eggs. Shipping is NOT included in the price of adult birds. Mature birds can be shipped directly to your local post office via EXPRESS MAIL.

Red Golden Pheasant

LA202 Juvenile Pair	\$190.00
LA201 Full Color Pair	\$225.00

Extremely popular full-color aviary bird! Does well in small aviaries and are very hardy. Multiple mutations have occurred, such as the dark throated, Salmon, and the yellow golden. Full plumage in the second year. Clutch: 6-12 eggs. Incubation: 22 days. Sold in pairs only.

Lady Amherst Pheasant

LA206 Juvenile Pair	\$210.00
LA207 Full Color Pair	\$225.00

Uncommon bird with beautiful plumage! Males are 47" in length (31.5" are just for it's tail!) Has a white black cape and a red crest, tail and rump are gray with red, blue, dark green, white, and yellow plumage. Females are 24-26" its length and have a dull brown mottled plumage with fine barring all over and a darker head. Females lay 5-12 eggs. Incubation: 22 days. Sold in pairs only.

Yellow Golden Pheasant

LA205 Juvenile Pair	\$190.00
LA204 Full Color Pair	\$225.00

Aviary bird variety of the Red Golden. Does well in small aviaries and are very hardy. Has light yellow feathers. Males have a bright golden crest. Upper back is a dark metallic green with black borders, the rest of the back and rump have golden feathers. Central tail feathers are black and spotted with buff. Full plumage in second year. Females are 25" in length. Males are 39" in length. Clutch: 6-12 eggs. Incubation: 22-23 days. Female weight: 1.35 lbs. Male weight: 1.5 lbs. Sold in pairs only.

Grey Peacock Pheasant

LA220 Full Color Pair	\$825.00
-----------------------	-----------------

Males are 29", grayish birds with iridescent blue-green ocelli (eyespot) on their wings and tail feathers. Females are much smaller and not as colorful as males. Can be tame and aren't usually aggressive with each other. The hens make good mothers and can hatch their own eggs. Large aviary not required, they need access to shade in the summer months and require shelter and heat in the colder months. Sold in pairs only.

Reeves Pheasant

LA211 Juvenile Pair **\$190.00**
 LA231 Full Color Pair **\$225.00**

Large pheasant with a beautiful color pattern. Male has a white crown with a black band. Plumage the first year. Females are 30" L. Males are 84" L. Includes tail. Clutch size: 7-14 eggs. Incubation: 25 days. Female weight: 2.1 lb. Male weight: 3.3 lb. Sold in pairs only.

Silver Pheasant

LA213 Juvenile Pair **\$190.00**
 LA212 Full Color Pair **\$225.00**

Under 1 year of age and are not fully colored. Full coloration will take at least 2 years, but can be fertile in the first year. Sold in pairs only.

Swinhoe Pheasant

LA210 Juvenile Pair **\$190.00**
 LA230 Full Color Pair **\$225.00**

Calm pheasant that is great for beginners! Juveniles are younger than 1 year old. Full plumage occurs at 2 years old. Males are 31" L. Very hardy and adaptable. Females lay 3-7 eggs. Incubation: 24-27 days. Sold in pairs only.

Temminck Tragopans

LP181 Juvenile Pair **\$825.00**

Wood Duck

LA115 Juvenile Pair **\$265.00**

Mandarin Duck

LA106 Juvenile Pair **\$265.00**

A stunning addition to any pond! Males have a very striking marking with a red bill and a large white crescent above the eye. Females have a pale beige with thin white flank strip and closely resemble a female wood duck.

White Mute Swans

LA503 Young Pair **\$2,775.00**
 LA501 Breeder Pair **\$3,750.00**

A natural addition to any pond! Swans spend most of their time floating on the water, grazing on underwater vegetation in shallow waters. Sold in pairs only.

Black Australian Swans

LA504 Young Pair **\$2,775.00**
 LA505 Breeder Pair **\$3,750.00**

The blackish plumage makes this species unmistakable from any other swan! In flight, the white flight feathers contrast strongly with the black plumage. Clutch size: 4-10 eggs, laid on alternate days. Breeding starts at 2-3 years. Sold in pairs only.

Trumpeter Swans

LA507 Young Pair **\$3,750.00**
 LA500 Breeder Pair **\$5,250.00**

This majestic bird will be a great addition to any pond! Swans spend most of their time floating on the water, grazing on underwater vegetation in shallow waters. Breeding starts at 2-3 years. Sold in pairs only.

Whooper Swans

LA506 Young Pair **\$3,750.00**

A beautiful addition to any pond! They spend most of their time floating on the water, grazing on underwater vegetation in shallow waters. These gorgeous birds will add so much beauty to your landscape! Sold in pairs only.

East African Crane

LA616 Juvenile Pair **\$4,500.00**

Named for the distinctive, bristle-like, golden feathers on top of their black head. Watch them bob and weave while they dance! Crowned cranes stand 44-48" tall; males are slightly taller on average. Weight: 6-8 lbs. Wingspan: 6.5 ft.

LD457	Male	\$155.00

Age: 3-18 months.

Silver White Tail

LD119	Pair	\$180.00
LD519	Female	\$95.00
LD419	Male	\$95.00

Very light bird. Young birds appear completely white but get slightly darker as they mature. Age: 3-18 months.

Brilliant White Tail

LD136	Pair	\$290.00
LD538	Female	\$150.00
LD438	Male	\$150.00

An extremely rare and beautiful color in Diamond Doves! It appears to be almost snow white. Age: 3-18 months.

Red

LD112	Pair	\$120.00
LD512	Female	\$65.00
LD412	Male	\$65.00

The male displays less rust-red and more silver on the back, shoulders, and wings in comparison to the hen. The female displays much more of the rust-red coloration. Not banded or mated. Age: 3-18 months.

Blue White Tail Pied Lightly Marked

LD123	Pair	\$150.00
LD523	Female	\$80.00
LD423	Male	\$80.00

Age: 3-18 months.

Yellow

LD111	Pair	\$120.00
LD511	Female	\$65.00
LD411	Male	\$65.00

Shoulders, back, wings, and tail are a pale dandelion yellow. Light, purple-silver head, neck, and breast. White underside. The eyes are ruby-red with a bright red-orange eye ring. Black-gray beak. Not banded or mated. Age: 3-18 months.

Peach

LD122	Pair	\$120.00
LD522	Female	\$65.00
LD422	Male	\$65.00

Strikingly beautiful and different color pattern than that of the Yellow Diamond Dove. The head, neck, breast, back, shoulders, wings, and tail display a faded, light yellow dandelion color. Ideal for beginners. 7-8" in length. Lifespan: 8-12 years. Age: 3-18 months.

Blue White Rump

LD100	Pair	\$120.00
LD500	Female	\$65.00
LD400	Male	\$65.00

A steel-blue color is displayed on the shoulders and back. The shoulders have white diamond spots. Light silver-blue head, neck, and breast. Both parents will incubate the eggs. Age: 3-18 months.

Cinnamon

LD139	Pair	\$120.00
LD539	Female	\$65.00
LD439	Male	\$65.00

The most basic form of red in Diamond doves. All of the red and ultimate red mutations began with Cinnamon. It displays a rust-red coloration on the shoulders and wings. Age: 3-18 months.

Yellow White Tail

LD113	Pair	\$150.00
LD513	Female	\$80.00
LD413	Male	\$80.00

Ground feeders that will do well in an aviary with finches. Very pale, yellow dandelion color on the shoulders, wings, head, neck, and breast. Not banded or mated. Both parents incubate. Incubation: Around 13 days. Age: 3-18 months.

Super White Blue White Tail Pied

LD160	Pair	\$375.00

LD504	Female	\$55.00
LD404	Male	\$55.00

Like other ringneck dove varieties, though there's a drastic difference in the feathering. The inner web of the feathers is connected to the feather shaft, but the outer web is not. This causes their silky effect. Weight: 4.5 oz. Age 3-18 months.

Albino

LD140	Pair	\$100.00
LD540	Female	\$55.00
LD440	Male	\$55.00

Whitest and brightest dove! Eye color can vary from pinkish to pinkish orange. Younger birds may have slightly different shade than at their mature age of 6-8 months. Very tame. Age 3-18 months.

Tangerine Pearl

LD114	Pair	\$100.00
LD514	Female	\$55.00
LD414	Male	\$55.00

Intense rusty-red colored body. Violet head, neck, and breast. White flights, tail, and neck ring. The white feathers are tipped with tangerine, giving a pearl effect. Age 3-18 months.

Violet Neck

LD105	Pair	\$120.00
LD505	Female	\$65.00
LD405	Male	\$65.00

Has a white body, wings, and tail. Can have traces of tangerine or orange pearling on the back and shoulders. Violet color is most pronounced as adults. Can have a white 'cap' on the top of the head. Weight: 4.5 oz. Age 3-18 months.

Rosy

LD145	Pair	\$100.00
LD545	Female	\$55.00
LD445	Male	\$55.00

Darker red or orange than the Peach Ring neck. Violet head, neck, and breast. Black neck ring. Deep red eye color. Brownish tail bar. Age 3-18 months.

Orange Pied

LD108	Pair	\$100.00
LD508	Female	\$55.00
LD408	Male	\$55.00

White body with orange splash. The colors are not combined, but it is a separate mutation. Black eyes. Seed eater. Weight: 4.5 oz. Age 3-18 months.

Peach

LD106	Pair	\$100.00
LD506	Female	\$55.00
LD406	Male	\$55.00

Creamy orange-colored body, wings, tail, and head. The flights are mostly white. Charcoal-colored neck ring. Deep red eye color. Weight: 4.5 oz. Age 3-18 months.

Orange Pearl

LD102	Pair	\$100.00
LD502	Female	\$55.00
LD402	Male	\$55.00

Orange body with white feathers edged or tipped with orange, giving a pearled effect. Seed eater. Weight: 4.5 oz. Age 3-18 months.

Miniature

LD144	Pair	\$100.00
LD544	Female	\$55.00
LD444	Male	\$55.00

Assorted colors. Slightly smaller than regular ring necks, both in length and weight. There will be a size variation, even in the miniatures. Age 3-18 months.

Snow White Miniature

LD155	Pair	\$100.00
LD555	Female	\$55.00
LD455	Male	\$55.00

Age: 3-18 months.

Wild Pied

LD141	Pair	\$100.00
LD541	Female	\$55.00
LD441	Male	\$55.00

Wild-colored but with random patches of white. Pied condition can occur on any color variety. Black eyes. The bill varies from light to dark. Age 3-18 months.

Ash

LD109	Pair	\$180.00
LD509	Female	\$95.00
LD409	Male	\$95.00

Light silver. Extremely diluted gray to white colored body. Seed eater. Males coo, hens do not. Weight: 4.5 oz. Age 3-18 months.

Tangerine

LD142	Pair	\$100.00
LD542	Female	\$55.00
LD442	Male	\$55.00

Intense rusty-red colored body. Head, neck, and breast are violet. Weight: 4.5 oz. Age 3-18 months.

Wild

LD129	Pair	\$100.00
LD529	Female	\$55.00
LD429	Male	\$55.00

Original color pattern. Weight: 4.5 oz. Age 3-18 months.

Rear Crested

LD116	Pair	\$100.00
LD516	Female	\$55.00
LD416	Male	\$55.00

Crests are at the back of the head and tufts are at the front. Seed eater. Breeder's choice of color. Weight: 4.5 oz. Age 3-18 months.

Double Crested

LD133	Pair	\$100.00
LD533	Female	\$55.00
LD433	Male	\$55.00

Tuft on the front of head, crest in back. Assorted colors, breeder's choice. Seed eater. Weight: 4.5 oz. Age 3-18 months.

Bull-Eyed White

LD134	Pair	\$100.00
LD534	Female	\$55.00
LD434	Male	\$55.00

Primary characteristic is super white color with dark eyes. No neck ring. Seed eater. Males coo, hens do not. Weight: 4.5 oz. Age 3-18 months.

Tufted

LD107	Pair	\$100.00
LD507	Female	\$55.00
LD407	Male	\$55.00

Tufted gene causes feathers on the forehead to reverse their normal direction and point forward in a "tuft". Can be any color variety. Weight: 4.5 oz. Age 3-18 months.

Shipping is not included. Add shipping rates to your total order. Pigeons ship via USPS Express

Exotics

Sexing guaranteed for 6 weeks from purchase.

Triangular Spotted Pigeon

LD262	Pair	\$750.00
LD862	Female	\$380.00
LD662	Male	\$380.00

Large and beautiful exotic pigeon! Cold hardy. Breeds easily. Age 3-18 months.

Australian Crested Dove

LD131	Pair	\$600.00
LD531	Female	\$305.00
LD431	Male	\$305.00

Also known as the Crested Pigeon! Crown gray with long, slender feathers. Cold hardy. 12-14" in length. Age 3-18 months.

Cape (Masked) Dove

LD128	Pair	\$375.00
LD528	Female	\$195.00
LD428	Male	\$195.00

This breed has a very soft cool! Compatible with finches, other small doves, and quail in a large aviary. 7-9" in length. Age 3-18 months.

Palm Turtle Dove

LD156	Pair	\$300.00
LD556	Female	\$155.00
LD456	Male	\$155.00

Beautiful, rich tangerine color! Breeds easily and will raise many young on its own. Age 3-18 months.

Pygmy Ground Dove

LD154	Pair	\$270.00
LD554	Female	\$140.00
LD454	Male	\$140.00

The smallest dove in the world! It is about the size of a finch. Quick flyers! Good breeders. Does well in an aviary setting. Age 3-18 months.

Zebra Dove

LD121	Pair	\$390.00
LD521	Female	\$200.00
LD421	Male	\$200.00

Very flighty and fast-flying birds! Males are aggressive. This breed is slightly larger than Diamond Doves. 9" in length. Age 3-18 months.

Green Wing Dove

LD135	Pair	\$750.00
LD535	Female	\$380.00
LD435	Male	\$380.00

Good parents and breeds well in small cages and large aviaries! Do not house with ring neck doves. 10" in length. Age 3-18 months.

7. Live bird cancellation fee is \$15.00 on all orders. You must call in to cancel a live bird order.
8. Orders cannot be canceled within 12 days of ship date.
9. No changes allowed once order has been submitted.

SALES, FREIGHT & WARRANTY INFORMATION

WARRANTY - Stromberg's warrants its equipment to be free of functional defects in material and workmanship. Returns must be made within 30 days. You may be asked to return the merchandise in order to receive a refund. Refunds can include the purchase price along with all transportation charges if the product is found defective. Warranty does not cover damage to equipment arising from alteration, abuse or use of product for other than its intended purpose. Photos must be supplied for damaged product replacement.

DAMAGED FREIGHT - All merchandise is shipped "F.O.B. Shipping Point". This is a legal term that means all merchandise becomes your property as soon as we give it to the freight carrier. The freight carrier is responsible for complete and safe delivery of your merchandise. It is your responsibility to inspect the merchandise when it is delivered. If the freight carrier fails to deliver your merchandise in good condition, it is your responsibility to note the damage before signing for it. Contact us so that we can file a claim with the carrier on

your behalf. Photos of the package, shipping label and damaged merchandise are required to file a claim and receive a refund or replacement.

SPECIAL ORDERS - Special orders may require a deposit.

PICK UP ORDERS - A call before you stop by helps us serve you in a more timely manner. In most cases, we will have your order ready for pick up upon your time of arrival if given prior notice.

LIABILITY - Our liability is limited to the purchase price paid for any item. We make no warranty or representation, express or implied except all products conform to the description provided by the manufacturer on sales literature or product labels.

RETURNED MERCHANDISE - If you need to return an item, we accept returns under the following conditions:

1. Contact us for a return authorization number.
2. Item must be in like new condition.
3. Item must be returned within 30 days of receipt.
4. Original receipt is required.
5. In most cases a restocking fee of 20% will be charged. We cannot accept returns on hazardous materials.
6. Returns will be processed within 14 days of receiving of the returned product.
7. Stromberg's is not responsible for return items lost in transit. You must retain your own tracking numbers and handle your own claims on return items.

REPLACING MERCHANDISE - When Stromberg's ships a replacement product to you due to damage or an incorrect product, there will be an additional charge for the new product sent. However, a credit will be applied at the time of the return of the incorrect product.

PRICES - Stromberg's will invoice all orders on the basis of prices which are in effect at the time of shipment. We reserve the right to change catalog prices if we deem it necessary. Please feel free to confirm prices at any time. Stromberg's is not responsible for typographical errors.

ORDER DISCREPANCIES - Check all orders immediately upon receipt and contact us within 10 days on any discrepancies.

PRODUCT SUITABILITY - Due to many state and local codes and regulations regarding sales, construction, installation and use of products for certain purposes, we cannot guarantee compliance in every situation. We attempt to assure that all products comply with state and local codes and regulations, so before you purchase and use a product please review both the product application and local codes and regulations. Be sure that the product, its installation and its use will comply with those codes and regulations.

HOURS - Call or visit our website for store hours. Our phones are answered 7am to 7pm CST for ordering and customer service. Place orders by phone at 888-697-2444, by fax at 218-216-1042, or by email address at info@strombergschickens.com Orders may also be placed online at www.strombergschickens.com

STATE SALES TAX - When applicable, we are required to collect sales tax by law. Exemptions for sales tax will be allowed if you have either a signed Certificate of Resale or an Exemption Certificate. The tax forms vary by state, please call for details. Law requires that we have these certificates on file before any tax exemption may be applied.

HOLIDAY CLOSINGS - We are closed New Year's Eve, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and the following Friday, Christmas Eve and Christmas Day.

CREDIT CARDS - Stromberg's reserves the right to preauthorize credit and/or debit cards. No money leaves your account until the purchase clears but the hold is active until the actual transaction is settled. When there's a hold on your account, it lowers your available balance. Stromberg's is not responsible for overdraft fees resulting from the pre-authorization of your card.
